## **The Saints:**

**The American Catalogue** ,1905     *An Exposition of the Creed* John Pearson,1843     **The Unique Work in the Lord's Recovery** Witness Lee, This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the International Training for Elders and Responsible Ones held in Yokohama Japan on October 4 6 2012 The general subject of the training was The Unique Work in the Lord s Recovery Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ     **A Year with the Saints** Anonymous,2021-04-10 In A Year with the Saints the anonymous author presents a profound exploration of the lives and virtues of various saints throughout the Christian tradition Structured as a daily reading guide this devotional work invites readers to engage with the historical and spiritual legacies of notable figures such as St Francis of Assisi and St Teresa of Avila The literary style is contemplative and meditative marked by eloquent prose that invites reflection and prayer situated within a broader context of devotional literature that seeks to inspire moral and spiritual growth in its audience The anonymity of the author adds an intriguing layer to the text reflecting a humility often associated with the very saints being portrayed This choice may suggest a desire to emphasize the universal applicability of the saints teachings rather than personal recognition The author likely drew from a deep well of theological knowledge and historical insights providing a rich tapestry of narratives aimed at guiding readers through a year of spiritual renewal and personal transformation A Year with the Saints is highly recommended for anyone seeking both inspiration and guidance in their spiritual journey Whether you are familiar with the lives of the saints or approaching them for the first time this book serves as a poignant companion for daily reflection making it a valuable addition to both personal libraries and liturgical practices     **The Works of Jonathan Edwards: Volume II - II** Jonathan Edwards,2017-03-29 Bringing together a collection of letters between two theologians along with other observations and reflections this volume continues to open the mind of any person wishing to be a serious theologian While many know about the big names such as Calvin or Luther many do not give credence to some of the important landmark works that writers such as Edwards helped to promote     [An Explanation of the Assembly's Shorter Catechism](#) Thomas Vincent,1854     [The World's Unrest and Its Remedy](#) James Field Spalding,1898     *The Collected Works of Witness Lee, 1988, volume 4* Witness Lee,2021-05-28 The Collected Works of Witness Lee 1988 volume 4 contains messages given by Brother Witness Lee from October 8 1988 through January 29 1989 In early October 1988 Brother Lee visited Taipei Taiwan for one month before traveling to Seoul South Korea and then back to Taipei where he remained until the middle of November He then returned to Anaheim California and remained there until the middle of December During his time in Anaheim he also ministered in Pasadena San Gabriel and Monterey Park California In mid December he traveled to Irving Texas and remained there through the early days of January 1989 The contents of this volume are divided into

**British Books** ,1916 **Butler's Lives of the Saints** Bernard Bangley,2005 There is no greater authority on the saints than Alban Butler and his enormous research has been the standard reference on the subject for the last two and a half centuries This new adaptation of Butler s multi volume *Lives of the Saints* presents a modernized text for today s reader and provides an illuminating guide to these historic symbolic and foundational Christian men and women Butler s daily readings from the lives and works of the saints offer readers of all backgrounds the opportunity to engage directly with these great figures Butler s distinctive contribution to stories about saints was to turn attention away from the superhuman miraculous themes that are prevalent in earlier works He gives us saints who are examples of Christian living who provide inspiration for our own lives in every time and circumstance As Butler writes They were once what we are now travelers on earth They had the same weaknesses we have We have difficulties so had the saints Important features of this version include mention of recently canonized saints as well as those whose path to official sainthood is still in progress Also included in the daily readings are more obscure saints whose lives and contributions to Christianity should not be forgotten **Index Catalog of the Scranton Public Library Authors and Subjects, June 30, 1902** Scranton Public Library,1903 **The Golden West** ,1920 *The Month* ,1894 **"Cuimne Coluimcille" - Or the Gartan Festival, Being a Record of the Celebration Held at Gartan on the 9th June, 1897**, E.
