Potpourri of Thoughts , *Flawed Thoughts and Imperfect Perspectives* W. A. Gordon, 2012-06 *Flawed Thoughts Imperfect Perspectives* is a book intended to poetically express the ideas and feelings of many that are brought forth by way of a bold and unashamed writer W A Gordon The poems of this book explore several facets centering tightly around the lives that many people live but choose to reserve their opinion or beliefs on The book is divided into two sections Love and Life and also includes a bonus section Dedication Each poem that has been included in this collection is nothing short of a open window into the life or at least viewpoint of the plainspoken author The range of topics allow all readers to embrace an idea to identify with a different outlook to consider or even simply a feeling of knowing that their idea is not as flawed or imperfect as the title humorously suggests Even though similarly fashioned works are grouped together for continuity each poem has its own story to tell The creativity of the flow of words carefully selected to construct each
