**Thoughts Out of Thinking** Christopher Monbely, Christopher Monbely and Ezra Maxwell, 2012-07-30 When thinking impregnates the mind thoughts are born and ideas are formed Man s soul now finds a medium to express itself through various arts Whatever art form man chooses as the outlet for his thinking it is his choice The realization of his artistry will be the tangible proof that he is in fact thinking For his artistry to be manifested into reality he first has to be thinking The man that is not thinking is dead A dead man creates neither thoughts nor tangible objects Truly there are a lot of dead people in our world For thinking ability is sacred and those who have been dominating the thinking market refuse to give up their control As a result of this self preservation of the thinkers they become stalwart proponents for ignorance stagnation and non progression of the remaining masses The thinkers know that even the educated are led by them For the ones who were educated were taught by thinkers When these thinkers educate the common man they educated them to be followers No man can teach you how to think One must develop this ability on his own Thinking abilities are truly developed when one s thinking abilities come full circle meaning a full three hundred sixty degrees of knowledge Man has steps of knowledge they are past present and future With the completion of all three houses of knowledge to full completion or full circle man opens his mind body and soul to be receptacles of learning and ultimately outlets of wisdom Within the pages of this book you will read one thousand and eighty thoughts The three completed houses of wisdom for your enlightenment We wish for you to enhance your thinking abilities and also utilize what you have learn in your daily living
