Teach Your Children Tables Bill Handley, 2012-02-01 Bill Handley is well known for making maths fun The first edition of Teach Your Children Tables challenged over 20000 readers and Bill has been inundated with letters of thanks since from parents whose children have quickly become proficient in maths and problem solving This not only pleases their teachers but does wonders for a child's self esteem In this new fully revised edition rewritten for clearer understanding Bill expands the sections on explaining multiplication to young children on problem solving and the correlation between the multiplication method and subtraction

Boys' Life ,1921-09 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting

Giggle Poetry Reading Lessons Amy Buswell, Bruce Lansky, 2014-06-10 Amy Buswell and Bruce Lansky's Giggle Poetry Reading Lessons turns struggling readers into happy readers For Grades 2-5 Many struggling readers are embarrassed to read aloud They are often intimidated or bored by texts that conventional programs require them to practice So instead of catching up

they fall further behind Currently 67% of American fourth graders can't read grade level text Reading specialist Amy Buswell has spent eight years looking for remediation methods that work What is needed Buswell explains is a program that improves the motivation of struggling readers because that accounts for 90% of the problem Four years ago Buswell came up with a brainstorm She knew her best readers enjoyed reading Bruce Lansky's poetry books for pleasure The more poems they read the better the reading got Why not use Lansky's kid tested poems as texts struggling readers could practice on to improve their reading using six research based strategies choral reading echo reading paired reading repeated reading sustained silent reading and say it like the character reading This book is the result of that brainstorm and the resulting collaboration between Buswell and Lansky It gives teachers and parents everything they need to help children improve their reading 35 kid tested poems by Bruce Lansky 35 customized reading lessons by Amy Buswell 35 off the wall illustrations by Stephen Carpenter 35 sets of zany performance tips by Bruce Lansky all of which is designed to make the process of reading improvement more like fun than work What Amy Buswell and Bruce Lansky have created is the most entertaining fluency intervention ever That's why it is so successful at overcoming negative attitudes to improve reading skills and scores Ninety five percent of participating students made significant improvement in their fluency reading rate And average reading scores on the Florida Comprehensive Assessment Test FCAT for Buswell's school raised her school's rating to an A for the first time In 2011 Buswell's school achieved one of the highest percentage reading gains in the county There's no reason parents can't get in on the fun too Parents will enjoy Lansky's funny poems and Stephen Carpenter's delightful illustrations as much as their children By reading the poems with their children and encouraging their children to try some of Lansky's entertaining performance tips by adding gestures sound effects props and finding additional readers be they friends family or neighbors they can dramatically speed up their child's reading progress and have lots of fun in the process
