**Phyllis M. Betz**

### **Three Bedrooms One Corpse:**

**Three Bedrooms, One Corpse** Charlaine Harris, 2020-10-13 Author of the books that inspired True Blood on HBO After inheriting a modest fortune Aurora Teagarden decides to try her hand at being a real estate agent working at her mother's agency Her first assignment is to show a local mansion to dashing newcomer Martin Bartell But when they discover the body of a rival real estate agent in the master bedroom Roe quickly realizes her new profession is more dangerous and exciting than she ever imagined Roe begins her own investigation of the murder even as sparks fly between her and Bartell When a second real estate agent is found murdered Roe suspects the killer may be closer than she thought She will have to use her natural sleuthing skills to unmask the murderer before another empty house for sale becomes a crime scene From 1 New York Times bestselling author Charlaine Harris comes an unforgettable cast of charming characters and an intriguing puzzle to solve Real Murders A Bone to Pick Three Bedrooms One Corpse and the rest of the Aurora Teagarden mysteries have been adapted into film for Hallmark Movies Mysteries

**Three Bedrooms, One Corpse** Charlaine Harris, 2008-03-04 Third in the Aurora Teagarden series one great new look Deciding if she wants to go into real estate becomes a life or death choice for Aurora Roe Teagarden A naked corpse is discovered at her first house showing And when a second body is found in another house for sale it becomes obvious that there is a very cool killer at large in Lawrenceton one who knows a great deal about real estate and maybe too much about Roe

*Three Bedrooms, One Corpse* Richard Harris, Robert Harris, 2001-07-01 It's a simple if shocking question and former librarian Aurora Teagarden is just the person to find the answer Basking in an inheritance that makes her financially independent Roe's looking for a new occupation Her days as a librarian are over Real estate might be fun she thinks And who better to teach her the tricks of the trade than her Lauren Bacall look alike mother Aida Brattle Teagarden Queensland who happens to own one of the major real estate firms in town Signing on as an apprentice Roe agrees to show an expensive house to some out of town clients The house has its charms but the clients are not too thrilled with what's been left behind in the master bedroom the corpse of real estate woman Tonia Lee Greenhouse And Tonia's only the first victim It quickly becomes clear that the killer is someone familiar with the real estate community in Lawrenceton someone who has access to the houses that are on the market Roe's not too sure she likes real estate after all She hadn't counted on murder But she definitely likes her well to do client Martin Bartell In fact it may be love at first sight With memorable characters and lots of small town southern charm this witty and wise mystery proves that author Charlaine Harris is among the best of the new generation of crime writers

*Reading the Cozy Mystery* Phyllis M. Betz, 2021-02-19 With their intimate settings subdued action and likeable characters cozy mysteries are rarely seen as anything more than light entertainment The cozy a subgenre of crime fiction has been historically misunderstood and often overlooked as the subject of serious study This anthology brings together a groundbreaking collection of essays that examine the cozy mystery from a range of critical viewpoints The authors engage with the standard classification of a cozy the characters who appear

in its pages the environment where the crime occurs and how these elements reveal the cozy story's complexity in surprising ways. Essays analyze cozy mysteries to argue that Agatha Christie is actually not a cozy writer that Columbo fits the mold of the cozy detective and that the stories' portrayals of settings like the quaint English village reveal a more complicated society than meets the eye.

**No One Hears the Last Shot** Lavie Tidhar, 2025-08-07  
Lavie Tidhar lays it out like a dystopian dog James Ellroy. A middle-aged hitwoman goes on the run from the Israeli mob, a boy on a South Pacific island searches for a missing cat and uncovers dark secrets, an ageing bagman has to recover a package across one violent night no matter the cost, an informer must uncover the heist of a lifetime on the fringes of the Roman Empire and Sherlock Holmes is faced with a confounding botanical mystery while a pair of hapless actors are forced into a seedy mystery in Golden Age Hollywood. Moving from the genteel English countryside to the mean streets of L.A. and from the islands of Vanuatu to the dark alleyways of Tel Aviv, this wide-ranging collection gathers together the best crime and noir stories of master storyteller Lavie Tidhar, including the CWA Dagger Award-nominated *Bag Man* and much more besides. Welcome to a world of gangsters and hired killers, of lost romantics and deadly women of good times and lowlives. Where it's always the wrong part of town and where whatever you do, there are no good choices. Because when it comes, no one hears the last shot. Tidhar changes genres with every outing, but his astounding talents guarantee something new and compelling, no matter the story he tells.

Library Journal  
Some write in ink, others in song. Tidhar writes in fire. Junot Diaz [A Bone to Pick](#) Charlaine Harris, 2016-08-01  
Author of the books that inspired *True Blood* on HBO and *Midnight Texas* on NBC. After attending three weddings in less than a year, including her ex-boyfriend's, Aurora Teagarden feels stuck in a rut. Then Jane Engle, an elderly member of the recently disbanded Real Murders club, dies and unexpectedly leaves her house and considerable estate to Roe. But Roe soon realizes that her inheritance includes a tangled mystery in need of unravelling. Her new home comes with a surprise: a human skull concealed inside a window seat. Was Jane a killer? Hoping to put her fears to rest, Roe hides the skull and secretly begins investigating the most likely suspects: her new neighbors. Sleuthing is easier said than done while dodging questions from both her new love interest and her discerning police detective ex. But there's an unsolved murder, and Roe's determined to identify both the victim and the murderer before it happens again. With a plucky, charming main character, the clever second installment of the Aurora Teagarden mystery series from #1 New York Times bestselling author Charlaine Harris is a delightful mystery that will keep readers guessing to the end.

*Real Murders: A Bone to Pick*, *Three Bedrooms, One Corpse*, and the rest of the Aurora Teagarden mysteries have been adapted into film for Hallmark Movies & Mysteries.

*The Smart One* Joe Clifford Faust, 2024-12-10  
Dink Stapleton is a two-bit hoodlum who lives in Wapakoneta, Ohio. All he wants to do is keep his nose clean and fly under the radar, something that's easier said than done. His less-smart half-brother keeps trying to suck him into a plan to counterfeit twenty-dollar bills. He has run afoul of a local wannabe crime figure, and his employer wants him to track down a scandalous painting by a local artist. Unfortunately, Dink's boss isn't the only one who wants the painting.

There s the stripper who posed for the painting the loose cannon who is obsessed with the stripper and the pretentious comic book illustrator turned pretentious artist who created the painting to begin with Complicating matters are ten grand worth of funny twenties that have gone walkabout a missing car with the world s worst paint job and a girlfriend who wants him to find Jesus It s a lot to wade through if Dink is going to find the painting and figure out who gets it but he should be able to work it out After all he s the smart one The Smart One is vintage Faust filled with wry humor quirky characters crackling dialogue and a plot that keeps the pages turning

**Contemporary Authors New Revision Series** Scot Peacock,2001-09 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world s most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually While Gale strives to replicate print content some content may not be available due to rights restrictions Call your Sales Rep for details
