Three Blake Songs:

Three Songs of William Blake Roger Quilter, William Blake, 1993 Three Songs of William Blake Roger Quilter, 1994

Three Blake Songs ,2005 **Dream Valley** Roger Quilter, 1917 **The Musical Times** ,1909 **Sensibility and**

English Song Stephen Banfield, 1985 This highly acclaimed study of English song is the first detailed account of an unusually fruitful interrelationship between English music and English poetry The period covered is known as the English Musical Renaissance and runs from the last years of the nineteenth century to the Second World War Stephen Banfield traces the late flowering of Romantic impulses in solo song during these years surveying it from critical analytical and historical angles He plots the growth of the English stylistic sensibility in song in the decades leading up to the First World War discusses in detail the plateau it reached between the wars particularly in the 1920s and shows how and why it declined as other musical concerns took the field Poets whose verse was set to music most frequently including Housman Hardy de la Mare and Yeats are treated at length as are pre eminent song composers such as Butterworth Finzi Gurney Ireland Quilter Somervell Stanford Vaughan Williams and Warlock In all more than fifty composers are discussed and numerous individual songs In the final section of the book besides providing an extensive bibliography Dr Banfield catalogues over 5 000 songs giving dates of composition and publication and much other detail listed by composer This comprehensive survey will prove an invaluable reference guide to all students of the subject *Reading Blake's Songs* Zachary Leader, 2015-08-11 First appearing in 1981 this book was the first full length study of the Songs of Innocence and Experience to be published in almost fifteen years The book provides detailed readings of each poem and its accompanying design to redirect attention to the nature and achievement of the book as a whole to Songs as a single carefully unified work of verbal and visual art Particularly close attention is paid not only to the designs Blake etched to accompany his poems but also to the many books and treatises for and about children to which it is argued Songs alludes or is indebted Like so many important works of this period Songs is shown to be autobiographical in nature one of Blake s attempts to order and account for the conflicts and crises of his own art and life Its story is that of an artist s growth into and out of vision and of his gradual realization of the dangers and deficiencies of the prophetic mode *Granville Bantock (1868-1946)* John C. Dressler, 2020-06-05 Granville Bantock A Guide to Research provides both researchers and British music aficionados an entry to documents books articles recordings and the like currently available for further study about Bantock s life and music Three Songs of William Blake Roger Quilter, 1993 *Blake Set to Music* Donald Fitch, 2023-11-15 *Blake Set to Music* A Bibliography of Musical Settings of the Poems and Prose of William Blake by Donald Fitch offers an extensive and meticulously compiled reference work detailing the musical interpretations of William Blake s poetry What began as a casual search in 1976 to fulfill a request for Blake settings for male chorus soon turned into a comprehensive project revealing a surprising gap in musical bibliography While Shakespeare and other poets had well documented musical settings Blake s work had no such resource until now Fitch

s research uncovers a fascinating trend the use of Blake s poetry in musical compositions is largely a 20th century phenomenon though it has roots in the late 19th century From Blake himself reportedly singing his poems to original tunes to early settings by musicians like Mary Carmichael in 1876 Fitch traces how Blake s works captured the imagination of composers The bibliography spans amateur and professional musicians encompassing settings for solo voice choirs chamber ensembles and orchestras The book highlights over 250 musical settings of Blake s The Lamb making it the most popular choice among composers while other well loved poems like The Tyger and Spring also appear frequently Interestingly it also explores Blake s influence beyond the English speaking world particularly in post World War II compositions by Scandinavian Russian and European composers Fitch s bibliography not only provides a rich resource for scholars musicians and Blake enthusiasts but also charts a cultural shift As musical tastes evolved so too did the appreciation for Blake s poetic depth with his works being embraced by an ever widening range of composers across the globe This bibliography stands as an essential guide to the diverse and evolving relationship between Blake s visionary poetry and the world of music This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990

Roger Quilter Valerie Langfield,2002 In the remainder of the book Valerie Langfield discusses and contextualises all his music songs chamber orchestral and theatre music and his light opera Julia performed at Covent Garden in 1936

BOOK JACKET Granville Bantock H. Orsmond Anderton,1915 A biographical and critical look at the work of Sir Granville Bantock 7 August 1868 16 October 1946 a British composer of classical music *Three Songs of William Blake, Second Set* Christopher Steel,1967 Programme Boston Symphony Orchestra,1908 **Classical Vocal Music in Print** F. Mark Daugherty,1995 The Musical Times & Singing-class Circular ,1911 **Musical Opinion and Music Trade Review** ,1913 **Blake** ,2001 An illustrated quarterly **Cyclopaedia of Favorite Songs** ,1895 **Cyclopedia of Copyrighted Songs ...** M. E. Hubbard,1899
