User Interfaces in C Mark Dennis Goodwin,1989 *Dr. Dobb's Journal of Software Tools for the Professional Programmer* ,1991 Resources in Human-computer Interaction ,1990 *Byte* ,1994-04 *Human Aspects in Computing: Design and use of interactive systems and work with terminals* Hans-Jörg Bullinger,1991 **OI Programmer's Guide** Amber Benson,Gary Aitken,1992 After providing a comprehensive summary of background material on C X Windows and object oriented programming this guide shows the reader how to build programs and develop applications with a Graphical User Interface using GUI in the X Window System environment It provides a single interface which allows users to write programs which conform to both MOTIF and OPEN Look A must have for every programmer s reference library Readings in Human-Computer Interaction Ronald M. Baecker,2014-06-28 The effectiveness of the user computer interface has become increasingly important as computer systems have become useful tools for persons not trained in computer science In fact the interface is often the most important factor in the success or failure of any computer system Dealing with the numerous subtly interrelated issues and technical behavioral and aesthetic considerations consumes a large and increasing share of development time and a corresponding percentage of the total code for any given application A revision of one of the most successful books on human computer interaction this compilation gives students researchers and practitioners an overview of the significant concepts and results in the field and a comprehensive guide to the research literature Like the first edition this book combines reprints of key research papers and case studies with synthesizing survey material and analysis by the editors It is significantly reorganized updated and enhanced over 90% of the papers are new An invaluable resource for systems designers cognitive scientists computer scientists managers and anyone concerned with the effectiveness of user computer interfaces it is also designed for use as a primary or supplementary text for graduate and advanced undergraduate courses in human computer interaction and interface design Human computer interaction historical intellectual and social Developing interactive systems including design evaluation methods and development tools The interaction experience through a variety of sensory modalities including vision touch gesture audition speech and language Theories of information processing and issues of human computer fit and adaptation *InfoWorld* ,1992-02-10 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects *Subject Guide to Books in Print* ,1975 *UNIX Review* ,1992-07 Towards Computer Supported Audio Conferencing Christoph Andreas Burkhardt,1996 **Dr. Dobb's Journal** ,1996 **C/C++ Users Journal** ,2001 **New Technical Books** New York Public Library,1992 *Computer Language* ,1991-07 **Advances in Systems, Computing Sciences and Software Engineering** Tarek Sobh,Khaled Elleithy,2006-08-15 The conference proceedings of the International Conference on Systems Computing Sciences and Software Engineering include a set of rigorously reviewed world class manuscripts addressing and detailing state of the art research projects in the areas of Computer Science

Software Engineering Computer Engineering and Systems Engineering and Sciences The International Conference on Systems Computing Sciences and Software Engineering SCSS 2005 was part of the International Joint Conferences on Computer Information and Systems Sciences and Engineering CISSE 2005 CISSE 2005 the World's first Engineering Computing and Systems Research E Conference was the first high caliber Research Conference in the world to be completely conducted online in real time via the internet CISSE received 255 research paper submissions and the final program included 140 accepted papers from more than 45 countries The whole concept and format of CISSE 2005 was very exciting and ground breaking The powerpoint presentations final paper manuscripts and time schedule for live presentations over the web had been available for 3 weeks prior to the start of the conference for all registrants so they could pick and choose the presentations they want to attend and think about questions that they might want to ask The live audio presentations were also recorded and are part of the permanent CISSE archive which includes all power point presentations papers and recorded presentations All aspects of the conference were managed on line not only the reviewing submissions and registration processes but also the actual conference Conference participants authors presenters and attendees only needed an internet connection and sound available on their computers in order to be able to contribute and participate in this international ground breaking conference The on line structure of this high quality event allowed academic professionals and industry participants to contribute work and attend world class technical presentations based on rigorously refereed submissions live without the need for investing significant travel funds or time out of the office Suffice to say that CISSE received submissions from more than 50 countries for whose researchers this opportunity presented a much more affordable dynamic and well planned event to attend and submit their work to versus a classic on the ground conference The CISSE conference audio room provided superb audio even over low speed internet connections the ability to display PowerPoint presentations and cross platform compatibility the conferencing software runs on Windows Mac and any other operating system that supports Java In addition the conferencing system allowed for an unlimited number of participants which in turn granted CISSE the opportunity to allow all participants to attend all presentations as opposed to limiting the number of available seats for each session The implemented conferencing technology starting with the submission review system and ending with the online conferencing capability allowed CISSE to conduct a very high quality fulfilling event for all participants
