Utah Hell Guns Steve Frazee,1956 *Utah Hell Guns* Steve Frazee,2006 Three painted wagons a broken whisky barrel and a man shot dead in front of him that was the way Reno Keegan saw Utah Keegan was working on the rail line and tons of rock needed to be blasted through but would he live to see the job finished Hired Gun W.R. Benton,2014-07-02 From the Author of War Paint and Jake Masters Bounty Hunter The dusty mining town of Bannack Montana harbors a fierce rivalry two businessmen will do anything for advantage over their competition even if it means murder Myles Sams is a hired killer not young any more but wise enough to stay alive even if that means shooting first When Myles services are acquired to streamline Bannack s current business community he soon realizes he s gunning for the wrong side With a mini war brewing Myles defects offering his six guns to his former target side But all is not what it seems additional unseen forces are at work quietly ripping the small town apart at the seams When crooked vigilantes get wind of Myles plan to set things right all hell s gonna break loose Brutal and action packed another gripping western from W R Benton Keywords Montana vigilante hanging Sharps gunfighter Colt saloon **Quick Pay for Maverick Men** Ed Earl Repp,2011-10-07 Death called the play when two old time badmen matched their rusty Peacemakers against the spitting tracers of a modern Jap fifth column ExcerptCrawling stealthily on all fours through catclaw and cactus Nevada Jim pulled up suddenly and with a low colorful oath plucked a chotta spine from the ball of his horny thumb Quit bellyachin and move on husked old Utah McClatchey from close behind him I m gettin tired of havin them rundown boots o yours shoved in my face A dark silhouette in the pale moonlight Nevada Jim stuck his injured member into a capacious mouth and licked the pinpoint wound which stung like fire Then he grinned at his sour faced old companion Don t get impatient Utah he said Good times await us at yonder mine After we lift ol Dan Conover s gold we won t have to do this kind of work no more unless we feel like havin some fun Utah matched his younger partner s grin You know he gave back quietly we re really doin Conover a big favor by relievin him o his dust Why from what I heard in Tombstone the poor jasper s been worryin himself ga nt for fear somebody was goin to rob him We ll take a big load off his mind Nevada Jim s thin hawk like face assumed a benign expression I believe you re right pard he said I bet he ll be tickled pink to see us I reckon McClatchey chuckled Lots of other folks would too He was right Lawmen from Laramie to Paso del Norte would have given time from their lives to nab this pair Many had seen the two slippery owlhooters but none of them had been capable of laying hands on them One reason was because there wasn t a sheriff west of Omaha who didn t have a healthy respect for the old Colt Peacemakers they wore tied hard at their thighs Another reason was that times had changed and the law was more accustomed nowadays to riding along fine highways in high powered cars than forking mean cayuses over the rough western badlands in quest of the two old time outlaws Some newspapers in the Southwest frequently referred to the pair as the Hellers from Helldorado and poked fun at the law for being unable to put them where they rightfully belonged Others called them ribald raiders because they seemed to enjoy themselves so thoroughly when they

walked into some unsuspecting cow country bank and lifted its cash There were still other papers and individuals too who mentioned slyly when the pair made front page news that Nevada Jim James and Utah McClatchey sometimes did the country a service by preying upon their own kind For deputy sheriffs town marshals and border patrolmen frequently found dead gangsters in unexpected places with miniature tombstones carved from chaparral or manzanita placed neatly upon their chests That was a symbol the Hellers from Helldorado always left behind them We don t want nobody to git credit for our doin s but us Utah always said An we shore as heck don t want to git credit for orneriness that ain t our n **Lion Books and the Lion Library: A Checklist** C. Safely Rest David Colley,2005-08 From 1945 to 1950 the United States returned 178 000 dead American servicemen back home and reburied another 80 000 in overseas cemeteries at their families request Never before had a nation returned so many of its fallen warriors from distant battlefields But another 78 000 servicemen were missing in action their bodies never to be found their families never to know the peace of closure Safely Rest recalls this virtually forgotten episode of WWII through the recollections of the survivors and the letters and histories of the dead themselves It tells of those who struggled to absorb their loss and rebuild their lives and of those who would never be able to move on Most memorably it tells of Lt Jesse D Red Franks Jr first reported missing then dead then alive and of his extraordinarily devoted father who gave up everything to work as a missionary in war torn Europe for years until he discovered what truly happened to his son If World War II was the Great Crusade then its dead are the true heroes of the war And this is their story Library Association Record Library Association,1974 Proceedings of the 22d 33d annual conference of the Library Association in v 1 12 proceedings of the 34th 44th 47th 57th annual conference issued as a supplement to v 13 23 new ser v 3 ser 4 v 1 *The Best Western Stories of Steve Frazee* Steve Frazee,1984 The 11 stories collected here testify to the success of Steve Frazee whose avowed aim as stated in the biographical sketch on the jacket of his first major novel Shining Mountains was to write honest Westerns Honest presentation is only one characteristic of Frazee s well crafted tales He tells a convincing satisfying and unusual story even when employing stock Western situations A major strength is his understanding of the nuances of character of how people are motivated of the good and bad within each person and of the conflicts between man and his en

environment Drawing upon his years in the mountains of Colorado he can vividly and realistically depict a variety of Western settings and do so in such a way that the settings assume a character of their own The eerie Big Ghost Basin of The Fire Killer the high mountain country of My Brother Down There and the vast northern plains of Great Medicine confront us through his descriptions

Dillon, 2014-05-06 A minute by minute account of the morning that brought America into World War II by the New York Times bestselling authors of At Dawn We Slept When dawn broke over Hawaii on December 7 1941 no one suspected that America was only minutes from war By nightfall the naval base at Pearl Harbor was a smoldering ruin and over 2 000 Americans lay dead December 7 1941 gives a detailed and immersive real time account of that fateful morning In or out of uniform every witness responded differently when the first Japanese bombs began to fall A chaplain fled his post and spent a week in hiding while mess hall workers seized a machine gun and began returning fire Some officers were taken unawares while others responded valiantly rallying their men to fight back and in some cases sacrificing their lives Built around eyewitness accounts this book provides an unprecedented glimpse of how it felt to be at Pearl Harbor on the day that would live in infamy
