But as gossipmongers and critics speculated, assumed and manufactured tall tales about the New York Times bestselling author Karrine hid herself and her truth from the world imprisoned by an abusive marriage and the judgments of society. In Vindicated Confessions of a Video Vixen Ten Years Later Karrine takes readers into the belly of the beast as she harrowingly chronicles the systematic breakdown of her mind, body and spirit at the hand of one man and the events that propelled her back to prosperity after losing everything. She candidly shares her struggle to be what others demand, her obsession with the American dream, her desperation to appear normal, the lengths to which she went and the price she paid for it all. This dark long journey into the life of an abused and tormented woman, wife and mother uncovers a long guarded set of painful personal truths, reveals the inspiring details of her life saving triumph and will change everything you thought you knew about Karrine Steffans.
