Workshop,1992 The Evolution of Violence Todd K. Shackelford,Ranald D. Hansen,2013-11-09 This volume is an interdisciplinary exploration of our understanding of the causes and consequences of violence Represented in its chapters are noted scholars from a variety of fields including psychology anthropology law and literature The contributions reflect a broad scope of inquiry and diverse levels of analysis With an underlying evolutionary theme each of the contributors invoke their separate areas of expertise offering empirical and theoretical insights to this complex subject The multi faceted aspect of the book is meant to engender new perspectives that will synthesize current knowledge and lead to a more nuanced understanding of an ever timely issue in human behavior Of additional interest is a foreword written by world renowned psychologist Steven Pinker and an afterword by noted evolutionary scholar Richard Dawkins **Violent Crime** Richard

Block,1977 **Encyclopedia of Crime and Punishment** David Levinson,2002 Authoritative and comprehensive this multivolume set includes hundreds of articles in the field of criminal justice Impressive arrays of authors have contributed to this resource addressing such diverse topics as racial profiling money laundering torture prisoner literature the KGB and Sing Sing Written in an accessible manner and attractively presented the background discussions definitions and explanations of important issues and future trends are absorbing Interesting sidebars and facts reference lists relevant court cases tables and black and white photographs supplement the entries Appendixes cover careers in criminal justice Web resources and professional organizations A lengthy bibliography lists relevant works The Best of the Best Reference Sources American Libraries May 2003 *Juvenile Lifers* Simone Deegan,2021-02-14 This book is the first Australian study based on

extensive fieldwork of the personal backgrounds and processes by which juveniles get drawn into risky and violent situations that culminate in murder Drawing on interviews with every juvenile under sanction of life imprisonment in the State of South Australia 2015 2019 it investigates links in the chain of events that led to the lethal violence that probably would have been broken had there been appropriate intervention Specifically the book asks whether the existing criminal justice frame is the appropriate way to deal with children who commit grave acts The extent to which prison facilitates and or inhibits the mental emotional and social development of juvenile lifers is a critical issue Most if not all will be released at some point with key issues of risk public protection and rehabilitation probability of desistance coming sharply to the fore In addition this book is also the first to capture how significant others including mothers fathers grandparents and siblings are affected when

children kill and the level of commitment these relatives have towards supporting the prisoner in his or her quest to build a positive future Written in a clear and direct style this book will appeal to students and scholars of criminology sociology and penology practitioners working in social policy and all those interested in the lives and backgrounds of juvenile offenders

Man-environment Interactions Daniel H. Carson, 1975 **Violence and Theft** Eric H. Monkkonen, 1992 Part of a series examining the history of crime and justice in America this volume attempts to provide an understanding of violence in its historical context The contributors examine criminal patterns urban crime collective violence and homicide **Crimes of Violence in Black Townships** Gabriel Lindumusa Ndabandaba, 1987 **Research Conference on Violence and Homicide in Hispanic Communities** Jess F. Kraus, Susan B. Sorenson, Paul D. Juarez, 1988 Violent and Non-violent Disputes Involving Gang Youth Lorine A. Hughes, 2005 Hughes seeks to understand how within a youth gang context factors and processes operating at the micro social level contribute to the occurrence of disputes and impact the decision made by disputants to engage in violence or to back down She analyzes the occurrence and resolution of dispute related incidents involving black and white youth street gangs in Chicago **Handbook of Antisocial Behavior** David M. Stoff, James Breiling, Jack D. Maser, 1997 In the latter part of this century an increasingly vigorous and sophisticated scientific study of antisocial behavior has emerged This new science has offered partial answers to some very important questions which will lead to better understanding and prevention of antisocial behavior In 50 chapters more than 100 leading scientists clinicians and scholars review the research in their area of expertise to provide extraordinary extensive and deep coverage of the field in a single volume The Handbook of Antisocial Behavior is an indispensable resource for mental health practitioners as well as anyone involved in research into violence and aggression including psychologists psychiatrists neuroscientists public health professionals epidemiologists sociologists and criminologists **South African journal of criminal law and criminology** , 1979 **Uses of Criminal Statistics** Kenneth Pease, 1999 This volume comprises of a selection of imaginative and important research based upon published or readily available statistical sources These include some long neglected classics ripe for reconsideration and replication It also contains examples of statistical and graphical abuses for example a press release from British Telecom on the alleged success of its call tracing programme The book makes clear the scope for creative and policy relevant research using much despised statistics **Decisions and Data** Richard Block, Carolyn R. Block, 1980 **Criminal Violence** Marvin E. Wolfgang, Neil Alan Weiner, 1986 four chapters alone are worth the price of the volume and are recommended to serious researchers in the area of violent crime and delinquency Contemporary Psychology Vol 28 No 6 1983 The collection provides a highly useful anthology of current research into the parameters of criminally violent behavior including a wide selection of viewpoints The Police Chief January 1984 Victims and Victimization David Shichor, 2002 A changing sociopolitical climate demanding tougher treatment on criminals and the growing activism of grassroots groups fighting for victims rights have drawn attention to victims of crime Victimology is a

new and growing discipline that has influenced public policy on many different levels This collection contains readings on the history of the study of victims the relationship between victims and the criminal justice system and the various aspects of research on victimization Some of the articles focus on topics that have surfaced only recently including victims of white collar crime victimization by corporate crime victims of hate crimes and the victimization of college students The goal of the editors is to familiarize readers with the fundamental issues regarding victims of crime and to encourage reflective thinking about this important aspect of criminal justice
