Whores of Babylon Frances E. Dolan,2019-06-07 In the seventeenth century the largely Protestant nation of England was preoccupied with its Catholic subjects They inspired more prolific and harsher criticism and more elaborate attempts at legal regulation than did any other minority group To understand this phenomenon Frances E Dolan probes the verbal and visual representations of Catholics and Catholicism and the uses to which these were put during three crises in Protestant Catholic relations the gunpowder plot 1605 Queen Henrietta Maria s open advocacy of Catholicism in the 1630s and 1640s and the popish and meal tub plots 1678 1680 She uses each crisis as a jumping off point an opportunity for speculation as did contemporary writers Drawing on political religious and legal writings and offering fresh readings of literary texts such as Macbeth and Antony and Cleopatra Dolan shows how often Catholics and Catholicism were linked to disorderly women Dolan maintains that since Catholics were members of many English families and communities and prominent at court the threat they offered was precisely that they could not be readily isolated and assigned to a category both laws and polemic struggled to identify Catholics but never succeeded in establishing a clear line between Catholics and everyone else In seventeenth century England Dolan says the threat of Catholicism lay in the tension between the foreign and the familiar the different and the same **The Whore of Babylon: God's Warning to the Last**

understandings of what the Scripture says about things such as the doctrine of the Trinity the corruption of the Church whether or not Muhammad was a prophet etc then this book is not for you If you are willing to look and study then this book can serve as a tool in understanding Bible prophecy It begins with the Babylonian exile then continues through the rise of the Persians Greeks and Romans the coming of the Messiah the rise and corruption of the Church the rise of Islam the reemergence of the corrupt Church the return of Jesus and the establishment of God s kingdom The prophecies serve as a warning to those who follow the traditions of the Church instead of Scripture However the primary mission of the prophets wasn t to make predictions but to provide guidance I believe the prophecies indicate that the church corrupted the teachings of Jesus and what is preached today bears little resemblance what he preached The 17th and 18th chapters of Revelation describe it as the Great Whore Babylon from which this book gets its title An open minded study of Revelation also seems to indicate that God gave Muhammad a message to get the Church to repent of its blasphemies and worship only one person as God It seems to indicate that Protestantism aided by America will form an image to the beast Roman Church and will join the fight against the followers of God This book goes into great detail in the prophecies of Daniel and Revelation and the rest of Scripture in order to let the Scripture do the interpreting One should always let the Bible provide the meanings of symbols and interpret accordingly I make every effort to only draw interpretations from Scripture instead of reading interpretations into the text In fact I prefer to simply quote the Scripture and let it speak for itself However I don t make any kind of claim that the contents of this book were revealed to me directly from God You should place your faith in the Scriptures and only accept the points that you can clearly see the Scriptures saying
