

ISLAM FACTS

ISLAM IS THE SECOND LARGEST RELIGION IN THE WORLD AFTER CHRISTIANITY, WITH ABOUT 1.8 BILLION MUSLIMS WORLDWIDE.

The word "Islam" means "submission to the will of God."

Muslims worship one, all-knowing God, who in Arabic is known as Allah.

Islam teaches that Allah's word was revealed to the prophet Muhammad through the angel Gabriel.

Muslims contend that Muhammad was the final prophet.

Followers worship Allah by praying and reciting the Quran. They believe there will be a day of judgment, and life after death.

Followers of Islam are called Muslims.

Followers of Islam aim to live a life of complete submission to Allah. Believe that nothing can happen without Allah's will.

Muslims believe several prophets were sent to teach Allah's law. They respect some of the same prophets as Jews and Christians.

The Quran is the major holy text of Islam. The Hadith is another important book. Muslims also revere some material found in the Judeo-Christian Bible.

A central idea in Islam is "jihad," which means "struggle." But is negatively used in mainstream culture. Muslims believe it refers to internal and external efforts to defend faith.

Bleeding for Allah Markus Aurelius,2007-11-19 Over 4 years in the making Bleeding for Allah scrutinizes Islam from the very birth of the religion The Koran the Holy Book of more than one billion people worldwide is systematically analyzed to reflect the true nature of its message Bleeding for Allah goes the full distance in detailing the uncomfortable and painful truth of that message Although touted as a peaceful religion and Islamic terrorists dismissed as misguided fanatics it is clear that the very words of Allah as voiced through the Archangel Gabriel to the Prophet Muhammad are anything but peaceful Markus Aurelius in concise and clear fashion gives countless examples of Koranic verse that readily demonstrates its militancy and violence The author speaks to cultural bias and is quite sensitive to its influence on interpretation But the author finds it extremely difficult to dismiss countless holy verse such as Believers take neither the Jews nor the Christians for your friends Koran 5 51 or Prophet make war on the unbelievers and the hypocrites and deal sternly with them Koran 66 9 To further try to eliminate cultural bias the book includes a comparative analysis of specific words between the New Testament and the Koran For example the words punishment and torture appear 600% more in the Koran while the word love appears 500% less The author carefully examines the Prophet Muhammads life and outlines the gruesome details of his explosive success in the 7th century The shrewd Prophet creatively found divine support from Allah for his banditry and mass murder Sadly more than one billion people believe those words today Americans are woefully in the dark regarding the Koran But few Americans have taken the time to read the Koran itself Markus Aurelius challenges the American public to do just that Bleeding for Allah is the perfect primer
