Wicked Poems:

Wicked Poems Roger McGough, 2002 A collection of over 120 poems about wickedness evil and mischief by such authors as William Shakespeare Lewis Carroll Shel Silverstein and Rudyard Kipling *My Wicked Wicked Ways* Sandra Cisneros, 2015-04-28 In this beautiful collection of poems remarkable for their plainspoken radiance the bestselling author of *The House on Mango Street* and winner of the 2019 PEN Nabokov Award for Achievement in International Literature embraces her first passion verse With lines both comic and sad Sandra Cisneros deftly and dazzlingly explores the human experience For those familiar with Cisneros only from her acclaimed fiction *My Wicked Wicked Ways* presents her in an entirely new light And for readers everywhere here is a showcase of one of our most powerful writers at her lyrical best Here the young voice of Esperanza of *The House on Mango Street* merges with that of the grown woman poet *My Wicked Wicked Ways* is a kind of international graffiti where the poet bold and insistent puts her mark on those traveled places on the map and in the heart Cherr e Moraga **The Wicked Child** Tom Breidenbach, 2014 Poetry Tom Breidenbach s verse follows two histories one personal and the other historical that come together at a common end in the book s middle providing a sense of circularity as indicated by the twin ouroboroi on its two covers THE WICKED CHILD shows a cutting violent and fragmented human existence it can be viewed almost as a premise for its epic twin IX XI which tracing this violence to the tradition of Classical Antiquity maintains the first book s folksy attitude in the midst of its own mythographic calculus By the books ends we see both the random and the ritualistic violence of this human condition tied to the mysterious legacies of man s and the gods Empires throughout the ages **Wicked Women** Leslie Simon, 2025-02-11 *Wicked Women* is an illustrated collection of poems written from the perspective of history s most hated women Everyone has heard stories of Lizzie Borden the Blood Countess the Black Widow and the Pirate Queens stories of their wicked deeds wanton ways and wretched manners But in a world where men are the monster makers what makes women evil What truths linger behind the sensational stories that have come to define them And what if anything do we owe these women for daring to do the unthinkable *Wicked Women* imagines a world in which women are defined not by the opinion of the men who wrote their legends but through their own words Witches serial killers gangsters shoplifters pirates con women and evil queens the world loves to label women who misbehave but what if the villains in question wrote their own tales And what if this time history listened **The Wild Old Wicked Man** Archibald MacLeish, 1969 **Wicked Enchantment** Wanda Coleman, 2021 This is the first ever UK publication of the poetry of Wanda Coleman a beat up broke Black woman who wrote with anger humour and clarity about her life on the margins and who went overlooked by the establishment for much of her career even as she was known colloquially as the unofficial poet laureate of Los Angeles Nobody wrote about police hassle like she did Nobody wrote about poverty about making do with what s on hand about the slave trade or about their personal vendetta against slow walkers in the supermarket in quite the same way *Wicked Enchantment* gathers 130 of Coleman s best poems spanning some four

decades in a selection by Terrance Hayes Mary Karr has called it hateful and hilarious heartbroke and hellbent the Washington Post says that Wanda Coleman is not just wickedly wise she is transcendent the New Yorker calls her one of the greatest poets ever to come out of L A Brutal hilarious triumphant wild and paradoxically sometimes horrifically precise these are not poems written for a course for establishment approval or for polite applause they were written because Coleman had to write what she saw and felt and wrote brilliantly Few if any writers before or since have had the courage to write with such honesty about the daily experience of life in a racist world *The Wicked Queen* Judith Kazantzis,1980
