Sherwin,2004 If the clergy is to be re empowered to reclaim leadership and authority as holy people they must reassert the ability to work wonders This does not require dramatic miracles but deeds that might well be perceived by people as nothing short of miraculous saving a marriage finding someone a job finding homes for the homeless bringing hope to the hopeless This is a book that every member of the clergy and every religious leader should read ponder and take to heart Publisher **The Word** ,1916 **The Word** Harold W.
