Cold Flashes Michael Engelhard,2010-07-15 As the old adage goes if you can't say it in a few pages you won't in a hundred The selections in Cold Flashes very short prose and black and white photographs embody perfectly this transparency thrift and restraint Found here are highly polished micro narratives both fiction and nonfiction and a series of eloquent and artistic halftones that capture their sizeable subjects in a nutshell By minimizing the exposition the selections stimulate the imagination to reflect on the rich diversity of people and places that make up Alaska To be savored piecemeal at coffee shops on the bus or while waiting in line the images and text in Cold Flashes will resonate with both the reader and each other fusing into something profound yet elusive **Safety Maintenance** ,1961 *National Safety News* ,1968
