An Introduction to Tantra and Sacred Sexuality Michael Mirdad, 2011-05-01 Sex still sells But why Because it's a subject that is repressed ignored abused and even unused all by a race of people who are trying to understand their sexuality and how to use this most sacred encounter as a means of deepening intimacy and connection In fact a lack of healthy sexual knowledge and expression may very well be the primary issue behind failed relationships A new book by world renowned spiritual teacher healer and author Michael Mirdad An Introduction to Tantra and Sacred Sexuality reassures readers that despite the rising number of relationship breakups and increase in issues around intimacy there are ways to solve these dilemmas and return sexuality to its rightful place as a means of expressing love A growing number of people are seeking a solution to their intimacy issues and have turned to books and seminars on relationships only to find them lacking a thorough comprehension and or coverage of the topic of intimacy Some counselors and teachers even treat intimacy as a taboo subject as if to fear treading on cursed grounds Nevertheless the public is refusing to be turned away They want to know more about how to capture or recapture intimacy passion and a greater sense of sacredness in their sexual experience This new book which blends several ancient and modern concepts of sacred sexuality covers these topics like no other Even the most respected teachers of Tantra Taoist Sexuality and modern Sex Therapy are praising this book as one of the most profound and important books on the subject

up explains Mirdad who developed the concepts in the book from personal knowledge as well as from his 30 years of experience as a counselor and workshop facilitator The soul is beginning to question your reality and guide you to a higher level of consciousness The transformation process includes five stages dismantling emptiness disorientation re building and a new life all of which are designed to assist people in becoming active participants in moving toward a life that resonates with the highest good Mirdad likens it to childbirth where the pain can seem endless but it is quickly forgotten as a new mother gazes lovingly into the eyes of a new life This small just 90 pages but powerful book is intended to be read slowly with thought and reflection Prayers and exercises are included in each chapter to assist the reader through each stage of the process ultimately connecting them to the light at the end of the tunnel Gary Renard author of the best selling *The Disappearance of the Universe* says that Michael Mirdad speaks with a wise voice that helps and inspires us to see that we are not going crazy nor are we alone when we go through the various stages of awakening to our true selves He helps us to see that all of our problems can and ultimately must be addressed on a spiritual level which is the only place where we will find a lasting and eventually permanent solution
