book you'll get hands-on experience working on the Roblox platform. You'll start with an overview of Roblox development and then understand how to use Roblox Studio. As you progress, you'll gradually learn everything you need from how to program in Roblox Lua to creating Obby and Battle Royale games. Finally, you'll delve into the logistics of game production, focusing on optimizing the performance of your game by implementing impressive mechanics, monetization, and marketing practices. By the end of this Roblox book, you'll be able to lead or work with a team to bring your gaming world to life and extend that experience to players around the world.

What you will learn: Get started with Roblox development and explore aspects such as choosing a developer type, understand how to use Roblox Studio and other free resources, create your first game with the Roblox Lua programming language, become well-versed with the three Ms: Mechanics, Monetization, and Marketing, develop real-world games such as Battle Royale and Obby, discover expert tips for collaborating effectively and managing project workloads.

Who this book is for: This Roblox guide is for anyone interested in learning how to develop games on the Roblox platform. If you're already familiar with Roblox and looking for tips, tricks, and Roblox and Lua best practices for efficient development, you'll find this book helpful.

The book requires no prior knowledge of game development.

Roblox - Beginner's Guide Luciana Priscila, 2025-08-31

Welcome to the Incredible Universe of ROBLOX! Imagine a place where you can be whoever you want: a legendary warrior battling dragons, a creative architect building futuristic cities, or even an explorer searching for lost treasures. That place exists, and its name is Roblox. Unlike a regular game, Roblox is an infinite platform full of worlds created by players of all ages and from all corners of the planet. Here, you can create your unique avatar with clothes, accessories, and styles that only you will have. Embark on epic adventures from thrilling races to battles against giant monsters. Meet and interact with thousands of people, forming friendships and communities. Become a true developer, creating maps, games, and systems that can captivate millions of players.

In this guide, you'll discover how to customize your avatar and make your mark on the Roblox world. The secrets of game creation, from the first blocks to advanced systems. Tips to make your game addictive and fun, attracting more and more players. Strategies to turn your passion into something profitable within the platform.

Each chapter was designed to be like an adventure within Roblox, full of color, creative ideas, and endless possibilities. By the end, you won't just be a player, but a world creator. Get ready because your journey begins now.

Daqinix's Group Recount: Complete Edition Daqinix, 2025-09-30

Across more than a decade, Daqinix built, experimented, failed, forward, and created worlds that shaped entire communities on Roblox. This definitive volume collects the complete journey from the earliest startups and clunky Paint logos through the breakout successes that defined eras to the quieter groups that taught lessons along the way. Inside, you'll find the trials and triumphs that made a creator the ambitious Airlines, the iconic Hotels, the unexpected detours, and the brands that became legends like FreshLane and McRonalds. Together, they form not just a history of groups, but a story of growth, resilience, and imagination. This is more than a record of groups; it's the archive of a legacy.
