The Intermittent Fasting Revolution Mark P. Mattson,2022-02-01 How intermittent fasting can enhance resilience improve mental and physical performance and protect against aging and disease Most of us eat three meals a day with a smattering of snacks because we think that s the normal healthy way to eat This book shows why that s not the case The human body and brain evolved to function well in environments where food could be obtained only intermittently When we look at the eating patterns of our distant ancestors we can see that an intermittent fasting eating pattern is normal and eating three meals a day is not In The Intermittent Fasting Revolution prominent neuroscientist Mark Mattson shows that intermittent fasting is not only normal but also good for us it can enhance our ability to cope with stress by making cells more resilient It also improves mental and physical performance and protects against aging and disease Intermittent fasting is not the latest fad diet it doesn t dictate food choice or quantity It doesn t make money for the pharmaceutical processed food or health care industries Intermittent fasting is an eating pattern that includes frequent periods of time with little or negligible amounts of food It is often accompanied by weight loss but Mattson says studies show that its remarkable beneficial effects cannot be accounted for by weight loss alone Mattson whose pioneering research uncovered the ways that the brain responds to fasting and exercise explains how thriving while fasting became an evolutionary adaptation He describes the specific ways that intermittent fasting slows aging reduces the risk of diseases including obesity Alzheimer s and diabetes and improves both brain and body performance He also offers practical advice on adopting an intermittent fasting eating pattern as well as information for parents and physicians

The New Dietetics John Harvey Kellogg,1923

Eat Stop Eat. Intermittent Fasting Diet to Have More Energy and Lose Weight (with the Best Recipes) Mary Nabors,2021-09-15 If you truly want to lose weight in a sustainable way feel great about yourself and improve your overall health then you really need to read this book Most people are trying to find the right solution to lose weight have tried all sorts of diets but didn t get too far with those diets Why Because it s extremely hard to stick to them and immediately after it people will start gaining weight just like they were

never on a diet You don't want this unpleasant surprise to happen to you so the real question you need to ask yourself is Do you want to lose weight and remain fit while you are having your favorite food If the answer is yes then you need a lot more than a diet you need a completely new lifestyle You really don't have to look further than this book to find the perfect inspiration for your new lifestyle The Eat Stop Eat Program Intermittent Fasting tends to be the most sustainable way to burn fat That's right you will burn fat and lose weight but you will not lose muscle mass if you follow the simple principles of this Intermittent Fasting programs This book will provide you valuable tips and tricks about what you need to eat in order to make your body burn fat how you need to structure your day to maximize the results of this procedure how you need to exercise to burn fat and not lose muscle mass Intermittent Fasting may sound very difficult for many people but the Eat Stop Eat program is the easiest and most accessible program you can do Even if you have never fasted before you can still easily cope with this program and experience the full benefits of it If you want to fall in love with Intermittent Fasting start with this program first I promise that you won't be disappointed after trying this method and you will discover how easily you can stick to it unlike the previous diets you have tried Of all the Intermittent Fasting programs this is my favorite as it allows me to enjoy the benefits of fully nutritional meals combined with the fat loss and overall health benefits of Intermittent Fasting You will probably find plenty of information online about Intermittent Fasting but there aren't too many sources that will let you know what to eat in order to maximize the results of this program If you are looking for such information look no further as this book is exactly what you need So what are you waiting for Buy this book now
