The Happy, Healthy Nonprofit Beth Kanter, Aliza Sherman, 2016-09-21 Steer your organization away from burnout while boosting all around performance The Happy Healthy Nonprofit presents realistic strategies for leaders looking

to optimize organizational achievement while avoiding the common nonprofit burnout. With a uniquely holistic approach to nonprofit leadership strategy, this book functions as a handbook to help leaders examine their existing organization, identify trouble spots, and resolve issues with attention to all aspects of operations and culture. The expert author team walks you through the process of building a happier, healthier organization from the ground up with a balanced approach that considers more than just quantitative results. Employee wellbeing takes a front seat next to organizational performance with clear guidance on establishing optimal systems and processes that bring about better results while allowing a healthier work-life balance. By improving attitudes and personal habits at all levels, you'll implement a positive cultural change with sustainable impact. Nonprofits are driven to do more, more often with fewer and fewer resources; there comes a breaking point where passion dwindles under the weight of pressure and the mission suffers as a result. This book shows you how to revamp your organization to do more and do it better by putting cultural considerations at the heart of strategy. Find and relieve cultural and behavioral pain points. Achieve better results with attention to wellbeing. Redefine your organizational culture to avoid burnout. Establish systems and processes that enable sustainable change. At its core, a nonprofit is driven by passion. What begins as a personal investment in the organization's mission can quickly become the driver of stress and overwork that leads to overall lackluster performance. Executing a cultural about-face can be the lifeline your organization needs to thrive. The *Happy Healthy Nonprofit* provides a blueprint for sustainable change with a holistic approach to improving organizational outlook.

The Runner's Guide to Menopause Juliet McGrattan, 2026-03-26 Struggling to run in menopause? You're not alone! If symptoms are making running harder or stopping you from starting, don't give up. *The Will to Whatever* Eugene Mirman, 2009-02-19 No one understands the complexities of modern life better than Eugene Mirman claims. Eugene Mirman and anyone seeking guidance from a man who has lived through everything except the Great Depression, the Spanish American War, and Jerry Lee Lewis's sex scandal won't resist this charmingly hysterical guidebook. Become ultra-popular in high school without putting out whatever that is. Discover somewhere between four and two thousand ways to overcome social anxiety. Closer to four. Start a band, become an artist, or disappoint your parents by getting on a reality television show.
