W. Hutchings,1909 **Nights Out** Judith Walkowitz,2012-05-15 London's Soho district underwent a spectacular transformation between the late Victorian era and the end of the Second World War its fin de siècle buildings and dark streets infamous for sex crime political disloyalty and ethnic diversity became a center of culinary and cultural tourism servicing patrons of nearby shops and theaters Indulgences for the privileged and the upwardly mobile edged a dangerous transgressive space imagined to be outside the nation Treating Soho as exceptional but also representative of London's urban transformation Judith Walkowitz shows how the area's foreignness liminality and porousness were key to the explosion of culture and development of modernity in the first half of the twentieth century She draws on a vast and unusual range of sources to stitch together a rich patchwork quilt of vivid stories and unforgettable characters revealing how Soho became a showcase for a new cosmopolitan identity **Slang and Its Analogues Past and Present** John Stephen Farmer,1896 **Historic Streets and Squares** Melanie Backe-Hansen,2013-11-01 In this picturesque exploration of Britain's constructed landscape an array of medieval lanes Georgian crescents and Victorian squares make an appearance together with the people famous infamous and unfamiliar who designed built and lived in them From Bedford Square and Portobello Road in London through to Grey Street in Newcastle and Charlotte Square in Edinburgh **Historic Streets and Squares** takes you over the doorstep of some of the country's most familiar addresses Melanie Backe Hansen takes us beyond the facades delving into the evolution of ancient streets the aspirations of builders and architects and the extraordinary lives of past residents She also reveals the fascinating stories of how some of our oldest and most valued crescents lanes and avenues have survived into the twenty first century and the twists and turns of their journey along the way Taken together these fifty examples tell us much about Britain's urban development over the centuries while also highlighting more recent attempts to preserve our architectural heritage The history of our streets avenues lanes and squares reveals more than just changes to architectural style but offers a doorway into the heritage of our nation *Soho* Dan Cruickshank,2019-11-14 **SOHO ILLICIT GLAMOROUS SORDID LOUCHE POVERTY STRICKEN SQUALID EXHILARATING** One of Britain's best loved historians Dan Cruickshank grants us an intimacy with centuries of rich and varied London history as he guides us around the Soho of the last five hundred years We learn of its original aspirations towards respectability how it became the city's bohemian quarter and why it was once home to its criminal underworld The history of Soho is written in its surviving architecture including its bars clubs and theatres Cruickshank observes how the common denominator over the centuries is its appeal as a destination for immigrants from

French Huguenots to the Italian and East European Jewish community and recent Chinese diaspora and that this is the foundation of its spirit and success Even as he mourns some of the changes he pays heartfelt testament to the district s resilience
