Davenport, Jr., 2019-07-29 Twenty five years ago I began keeping a daily Journal Recovering from a divorce that left me in total consternation I realized I needed to make some changes in my life I was determined to help myself overcome the sadness and fears that had accompanied the divorce and with some help realized I needed to make significant changes in my priorities and behaviors To monitor the progress of these changes my daily journal was a contemplation of each day s activities I paid attention to what I was doing each day and why I was doing it some of the time These 25 years of journals are full of less than earth shattering details but they helped me become a less reactive and a more reflective man Keeping the journal has been beneficial but has often made me wish I had started the effort earlier particularly during the most formative period of my life my time as a soldier Accordingly this book began to take shape **A Soldier s Journal Army Life** Albert O. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
