Ewell, William H. Beezley, 1989 Although the people whose stories appear in this book seem far removed from our lives most have the qualities that E M Forster admires as part of the true human tradition We may cringe at the suffering that some of them endured or contributed to or at the violence that pervaded their lives Still we can empathize with the courage and ability that gave most of them the power to endure through the cruelty and chaos of nineteenth century Latin America
