Charley,1902     **Jesus as Mirrored in John** James H. Charlesworth,2018-12-13 James H Charlesworth begins from a burgeoning point of scholarly consensus More and more scholars are coming to recognize that the Fourth Gospel is more historically complex than previously thought Charlesworth outlines two historical horizons within John On the one hand there is the Jewish background to the text complete with the evangelist s knowledge of Palestinian geography and Jewish customs which Charlesworth perceives as offering a window into pre 70 Palestinian Judaism On the other hand the gospel also reflects a post 70 world in which non believing Jews with more unity begin to part definitely with those who identified Jesus as the Messiah Split into four sections this volume first examines the origins of the Fourth Gospel its evolution in several editions and its setting in Judea and Galilee Charlesworth then looks specifically at the figure of Jesus and issues of history He proceeds to consider this Gospel alongside earlier and contemporaneous Jewish literature most notably the Dead Sea Scrolls Finally the volume engages with John s symbolism and language looking closely at key aspects in which John differs from the Synoptic Gospels and raising such provocative questions as whether or not it is possible that Jesus married Mary Magdalene From one of the New Testament s most noted scholars this book allows deeper understanding of the ways in which the Gospel of John is a vital resource for understanding both the origin of Christianity and Jesus position in history
