The Askandar:

The Askandar Norris Ray Peery, 2003-04-20 The Askandar is a continuation of the story ETMA PNIKRE The Askandar the great starship has escaped with its six thousand survivors from the cremation of the planet Earth and now rushes onward in its journey through the blackest darkness of the infinite ocean of the universe In the starship within its occupants live all of the natural instincts and emotions which had fluxed and flowed within the cultures the survivors had left behind No one had given much consideration to the great broad spectrum of the human condition which would demand its satisfaction even though it had been stripped from its natural home The individual s instinctive creature found itself resident within a closed capsule where it still needed to satisfy its ancient secret yearnings and to find contentment for the beast which secretly underlies civilized humanity that it might be peaceably consoled And so though Earth and its societies had all become just a distant cinder the mysterious ways of Mother Earth had been so patiently distilled into every cell and every fiber of the people on the starship that her ways her embedded instincts her emotions of love hatred and savagery rode within the ship in the safe luxury of each individual survivor Anshalyn - Queen of the four worlds Elias J. Connor, 2024-11-18 Little Anshalyn Nescoa is born in the middle of a merciless war between the four worlds of Norkamp Sudland Offenier and Mauies As the child of a poor wandering family hiding in the vast remote fields of Sudland she is said to have legendary powers Her parents hide her because they suspect that Anshalyn s powers will attract the dark warriors of Norkamp and subjugate their village When Anshalyn reaches the age of eighteen however a stranger approaches her and tells her that she is a magical elf and that only she can end the war When Anshalyn s father dies she accepts the challenge against her mother s wishes and goes to war with the mission of bringing peace to Sudland She is supported by the little dragon Skilas and her friend Askandar whom she meets on her journey But the demons are already on her trail and Anshalyn doesn t know how much danger she is putting herself in The first high fantasy novel by Elias J Connor takes the reader into a world full of fantasy magic love heroic action and adventure **Political Perceptions of the Palestinians on the West Bank and the Gaza Strip** Ann Mosely Lesch, 1980 **Overthrowing Geography, Re-imagining Identities** Mark Andrew Levine, 1999 **Esoteric Images: Decoding the Late Herat School of Painting** Tawfiq Da'adli, 2019-04-09 In Esoteric Images Decoding the Late Herat School of Painting Tawfiq Da adli decodes the pictorial language which flourished in the city of Herat modern Afghanistan under the rule of the last Timurid ruler Sultan Husayn Bayqara r 1469 1506 This study focuses on one illustrated manuscript of a poem entitled Khamsa by the Persian poet Nizami Ganjavi kept in the British Library under code Or 6810 Tawfiq Da adli decodes the paintings reveals the syntax behind them and thus deciphers the message of the whole manuscript The book combines scholarly efforts to interpret theological political lessons embedded in one of the foremost Persian schools of art against the background of the court dynamic of an influential medieval power in its final years *Studies in the Islamic Arts of the Book* Robert Hillenbrand, 2012-12-31 The studies collected in this volume some of them rather difficult of access date

mostly from the last fifteen years and focus primarily on Persian book painting of the 14th to the early 16th centuries In this period Iran dominated the art of book painting in the Islamic world The articles reprinted here examine various aspects of this the golden age of Persian painting They range from the period of Mongol rule when the impact of Far Eastern themes and modes radically transformed the heritage bequeathed to Iran by Arab painting a textbook case of the clash of civilisations to the dawn of the modern era and the swansong of the classical style of Persian painting under the early Safavids Yet other articles focus on the roots of book painting in the themes and styles developed in painted ceramics on medieval Qur'anic calligraphy on bookbinding and on the remarkably original variations played on the hitherto hackneyed theme of the figural frontispiece by Arab painters Two major leitmotifs are explored in this selection of essays One is provided by the constantly varying interpretations of the Shahnama The Book of Kings the Persian national epic and especially the tendency of painters to interpret this familiar text in terms of contemporary politics The other is the interplay of text and image which highlights the tendency of painters to strike out on their own and to leave the literal text progressively further behind while they develop plots and sub plots of their own These enquiries are set within the context of a concerted effort to explore in detail how Persian painters achieved their most spectacular visual effects In its combination of general surveys and closely focused analyses of individual manuscripts this collection of articles will be of interest to specialists in book painting and in Islamic art as a whole
