example Auschwitz would be used rather than the Polish name of Oswiecim Also in larger international cities such as Roma Koln and Wien the anglicized name is used Where a village or hamlet was difficult to locate or where there were several such places with the same name in a general area the coordinates are given in the index In some cases with no extant navigational aids of the attacking force the best possible guess was made based upon all available evidence In other instances such as the bridge at Hay ti attacked so often by Tenth Air Force a logical guess could not be made In these cases a question mark is placed in brackets after the index entry Accent marks such as umlauts were omitted Fallon Naval Air Station, Renewal of the B-20 Land Withdrawal ,1999 Opinions and Orders Illinois.
