*Gate of the Heart* Nader Saiedi, 2008-04-22 Co published with the Association for Bah Studies In 1844 a charismatic young Persian merchant from Shiraz known as the B b electrified the Sh ih world by claiming to be the return of the Hidden Twelfth Imam of Islamic prophecy But contrary to traditional expectations of apocalyptic holy war the B b maintained that the spiritual path was not one of force and coercion but love and compassion The movement he founded was the precursor of the Bah Faith but until now the B b s own voluminous writings have been seldom studied and often misunderstood *Gate of the Heart* offers the first in depth introduction to the writings of the B b Taking an interdisciplinary approach the author examines the B b s major works in multifaceted context explaining the unique theological system mystical world view and interpretive principles they embody as well as the rhetorical and symbolic uses of language through which the B b radically transforms traditional concepts Arguing that the B b movement went far beyond an attempt at an Islamic Reformation the author explores controversial issues and offers conclusions that will compel a re evaluation of some prevalent assumptions about the B b s station claims and laws Nader Saiedi s meticulous and insightful analysis identifies the key themes terms and concepts that characterize each stage of the B b s writings unlocking the code of the B b s mystical lexicon *Gate of the Heart* is a subtle and profound textual study and an essential resource for anyone wishing to understand the theological foundations of the Bah religion and the B b s significance in religious history

,2023-10-01 More than producing a new religious canon the B b brought a fresh worldview of the divine the human and the social Through His vast written revelation the B b proclaimed majestically the fulfilment of the prophetic Great Day of God promised by the religions in the past His mystical teachings appeal to the perfection and nobility of the human soul All things being made new He delivered a distinct divine philosophy drastically changing ecclesiastic and liturgical laws and legislating on individual and social matters The B b s teaching attracted fiery opposition from the establishment leading to His imprisonment torture exile and martyrdom Relying on nearly 600 passages from His writings the *Dispensation of the B b* presents a panoramic view of the B b s doctrine highlighting His position as an independent Messenger of God and announcing the imminent advent of Him Whom God shall make manifest showing at the same time the theological unicity between the faiths of the B b and Bah u ll h
