The Creed

Silvia Vecchini, Antonio Vincenti

The Creed:

The Creed Luke Timothy Johnson, 2007-12-18 This thoughtful fully accessible exploration of the creed the list of beliefs central to the Christian faith delves into its origins and illuminates the contemporary significance of why it still matters During services in Christian communities the members of the congregation stand together to recite the creed professing in unison the beliefs they share For most Christians the creed functions as a sort of ABC of what it means to be a Christian and to be part of a worldwide movement Few people however know the source of this litany of beliefs a topic that is further confused by the fact that there are two different versions the Apostle s Creed and the Nicene Creed In The Creed Luke Timothy Johnson a New Testament scholar and Catholic theologian clarifies the history of the creed discussing its evolution from the first decades of the Christian Church to the present day By connecting the deep theological conflicts of the early Church with the conflicts and questions facing Christians today Johnson shows that faith is a dynamic process not based on a static set of rules Written in a clear graceful style and appropriate for Christians of all denominations The Creed is destined to become a classic of modern writings on spirituality

The Creed Explained Silvia Vecchini, Antonio Vincenti, 2019-02-02 Introduce children ages 8 12 to the Apostles Creed and the foundations of the Catholic faith This guide explores each of the twelve articles or lines of the Apostles Creed piece by piece Prayers reflections a notebook section and quotes from various saints and theologians give more depth to the articles The Creed Explained offers the Apostles Creed as a guideline for taking children through the basic tenets of Catholicism and begins to bring them into a deeper understanding of God

The Creed: Professing the Faith Through the Ages Scott Hahn, 2016-05-26 Why were the early Christians willing to die to protect a single iota of the creed Why have the Judeans Romans and Persians among others seen the Christian creed as a threat to the established social order In The Creed Professing the Faith Through the Ages bestselling author Dr Scott Hahn recovers and conveys the creed s revolutionary character Tracing the development of the first formulations of faith in the early Church through later ecumenical councils The Creed tells the story of how the very profession of our belief in Christ fashions us for heavenly life as we live out our earthly days

The Creed Berard L. Marthaler, 1993 Newly revised and expanded this is the perfect introduction to the beliefs of Catholicism and a unique and invaluable guide for studying the Catechism of the Catholic Church This revised and expanded edition of The Creed is highly recommended for students of Ecclesiology Christology Church History and Catechetical Theology Unique among the many commentaries on the classic formulas of Christian faith this book does not simply relate the Nicene Constantinopolitan Creed and the Apostle s Creed to the apostolic faith of the New Testament but presents them in light of contemporary theological issues The revised edition features updated expanded text a glossary and enhanced bibliographic resources
