## **The Lifeguard:**

**The Lifeguard** Mary Morris,2012-03-21 It was with her stories that Mary Morris first won attention and acclaim her first collection *Vanishing Animals* received the prestigious Rome Prize and her second *The Bus of Dreams* was widely hailed In this new collection Mary Morris once again shows her great sensitivity to men and women at moments of turbulence uncertainty and crisis in their lives and how they can reach for the unexpected and the spiritual at such times In the title story a lifeguard sees his teenage mystique among the girls on the beach dissolve in a panicked moment when he cannot save a child In *The Wall* a woman confronts her husband's first marriage in the form of a mural on a kitchen wall that he is strangely unable to contemplate painting over In *The Glass Bottom Boat* a mother on her first trip abroad learns about trust through a solicitous stranger In *The Snowmaker's Wife* a housewife left alone while her husband works long hours at a mountaintop ski resort starts to suspect his betrayal as well as her own perceptions In addition to these stories which have appeared in *The Boston Globe Magazine Vogue* and other magazines are two brand new stories *Vital Signs* tells of the consequences of a doctor bringing back to life a young woman half dead on the side of the road and *Cross Word* is a wonderfully funny play on those puzzles and the people who do them Combining Mary Morris's consummate craft as a storyteller with her gift for dramatic travel writing *The Lifeguard* is a powerful and haunting collection

**Report** Commonwealth Shipping Committee,1913

*Across the Great Divide* Jeremy Arnold,2020-03-31 The division between analytic and continental political theory remains as sharp as it is wide rendering basic problems seemingly intractable *Across the Great Divide* offers an accessible and compelling account of how this split has shaped the field of political philosophy and suggests means of addressing it Rather than advocating a synthesis of these philosophical modes

author Jeremy Arnold argues for aporetic cross tradition theorizing bringing together both traditions in order to show how each is at once necessary and limited Across the Great Divide engages with a range of fundamental political concepts and theorists from state legitimacy and violence in the work of Stanley Cavell to personal freedom and its civic institutionalization in Philip Pettit and Hannah Arendt and justice in John Rawls and Jacques Derrida not only illustrating the shortcomings of theoretical synthesis but also demonstrating a productive alternative By outlining the failings of political realism as a synthetic cross tradition approach to political theory and by modeling an aporetic mode of engagement Arnold shows how we can better understand and address the pressing political issues of civil freedom and state justice today
