The Edentians Gissele Trussell,2023-11-21 With celestial war on the horizon and the failure of Earth Project 606 the rehabilitation of fallen angels and their offspring the Edentian Council is set to abandon humanity Only Danielle Peschard the sole Edentian representative on Earth can appeal to the council on Earth s behalf But can one person truly change the fate of the entire world A renowned archeologist working for the MET Danielle Peschard is familiar with the erudite and complex players in New York s elite circles She is also keenly aware that things are not as they seem Earth s inhabitants use their free will with little concern for cosmic consequences but Danielle knows the truth that the Edentian Council a group of cosmic beings dispassionately monitoring the evolution of the human race has concluded mankind s gift of free will to be a mistake that must be corrected As the only Edentian to be incarnated in a human body Danielle must reestablish communication with Edentia and disrupt the nefarious plans of those set on enslaving humanity But just as she attempts to take action her interstellar communications cut out and she is brutally assaulted This attack reignites an eternal conflict between the forces operating on Earth and the only way to prevent Earth s destruction by cosmic abandonment is for Danielle to present the best humanity has to offer to the Edentian Council as proof of Earth Project 606 s success In a frantic race across the globe Danielle must match wits in mortal combat with The Group a nefarious consortium of planetary tycoons determined to implement a sinister plot and possibly obliterate the human race The Edentians extrapolates conflicts from Earth s present condition and compels readers to wrestle with the origin and purpose of human existence From Paris and the Vatican to the Egyptian pyramids and the Teotihuacan ruins Gissele Trussell takes readers on a thrilling speculative journey that untangles webs of corporate greed political treachery and terrorism against a cosmic multi layer plot that examines and challenges modern beliefs about religion and reality

Atlantis and the Coming Ice Age Frank Joseph,2015-03-16 Reveals the parallels between the rise and fall of Atlantis cultures in ancient Mesoamerica and our modern civilization Links the demise of Atlantis with the birth of the Olmec civilization in Mexico the beginning of the first Egyptian dynasty and the start of the Mayan Calendar Reveals the Atlantean and Mayan prophecy of an eternal cycle of global creation destruction and renewal and how we are headed into a destructive phase Shows how ancient prophecies correlate precisely with the latest climatology studies the rising incidence of solar flares and papers from Pentagon and NASA analysts With the passing of the Mayan Calendar s end date we can now focus on the true significance of what the Maya and their predecessors were trying to convey to future civilizations Frank Joseph reveals how the Mayan prophecy symbolized by their calendar was created through the combined genius of Atlantis and Lemuria and predicts an eternal cycle of global creation destruction and renewal He shows how this cycle correlates precisely with scientific studies

on glacial ice cores and predictions from the Hopi the Incas and the Scandinavian Norse as well as the visions of Edgar Cayce He links the demise of Atlantis with the birth of the Olmec civilization in Mexico the progenitors of the Maya the beginning of the first Egyptian dynasty and the start of the Mayan Calendar Drawing on the latest climatology studies and papers from Pentagon and NASA analysts he reveals that we are on the brink of a destructive phase in the global cycle of change as predicted by the Atlanteans and the Maya The world s current political economic and cultural deterioration is paralleled by unprecedented storms and record temperatures massive solar flares tectonic disturbances and fissuring sea floors that could release dangerous reservoirs of methane gas into the environment all of which signals we are headed into another ice age Despite the Atlanteans greater understanding of the cyclical nature of catastrophes and of the human role in them Joseph reveals the mistakes they made that played a crucial role in their civilization s destruction By recognizing the self destructive patterns of Atlantis in our own civilization we can learn from their mistakes to reestablish civilization s cosmic balance before time runs out
