The Aztec World Elizabeth Hill Boone,1996 **Journal of Field Archaeology** Association for Field Archaeology,1997

The History Highway 3.0 Dennis A. Trinkle,Scott A. Merriman,2002 Now including a CD ROM this redesigned and thoroughly updated edition of The History Highway guides users to the astonishing amount of historical information available on the Internet It features more entries on non U S history than ever before and the CD ROM contains the entire contents as PDF files with live links so that users can put the disk into their computers go on line and click directly to the sites A special feature Editor s Choice indicates superior destinations for researchers In addition to the complete new edition three specialized versions are also available offering specific coverage of just those sites that apply to world history U S history or European history along with basic information about Internet research that is included with all four versions Covering hundreds of sites and designed for ease of use and maximum flexibility The History Highway 3 0 is an indispensable tool for historical research in the twenty first century no matter what the area or level of interest *Teaching Global History* Alan J. Singer,2012-04-27 Teaching Global History challenges prospective and beginning social studies teachers to formulate their own views about what is important to know in global history and why It explains how to organize the curriculum around broad social studies concepts and themes and student questions about humanity history and the contemporary world All chapters include lesson ideas a sample lesson plan with activity sheets primary source documents and helpful charts graphs photographs and maps High school students responses are woven in throughout Additional material corresponding to each chapter is posted online at http://people.hofstra.edu/alan_j_singer The traditional curriculum tends to highlight the Western heritage and to race through epochs and regions leaving little time for an in depth exploration of concepts and historical themes for the evaluation of primary and secondary sources and for students to draw their own historical conclusions Offering an alternative to such pre packaged textbook outlines and materials this text is a powerful resource for promoting thoughtful reflection and debate about what the global history curriculum should be and how to teach it *The History Highway* Dennis A. Trinkle,Dorothy Auchter,Scott A. Merriman,Todd E. Larson,2016-12-05 Save yourself and your students hours of research time Now extensively revised and expanded The History Highway is widely recognized as the one essential tool for students teachers and researchers seeking a reliable guide to history sites on the web The History Highway offers the broadest most current coverage of the astonishing amount of historical information available on the Internet provides detailed easy to use and up to date information on more than 3000 web sites covers U S and World history and all sub fields features ten new chapters with coverage of futurism environmental history immigration history and Mediterranean and Middle Eastern history all sites have been thoroughly checked by specialists in the relevant field of history the best sites in each field are clearly identified hard cover and paperback editions include a CD of the entire contents with live links to sites and e book version with live links to sites is in preparation **Empire of the Aztecs** Barbara A. Somervill,2010 Empire of

the Aztecs opens with a summary of the rise and fall of the empire placing it within the context of its time period and geographical location The second half of this book explores the daily lives of the Aztec people focusing on their social customs religious practices family and community structure and cultural accomplishments

A Day in a Working Life Gary Westfahl,2015-04-21 Ideal for high school and college students studying history through the everyday lives of men and women this book offers intriguing information about the jobs that people have held from ancient times to the 21st century This unique book provides detailed studies of more than 300 occupations as they were practiced in 21 historical time periods ranging from prehistory to the present day Each profession is examined in a compelling essay that is specifically written to inform readers about career choices in different times and cultures and is accompanied by a bibliography of additional sources of information sidebars that relate historical issues to present day concerns as well as related historical documents Readers of this work will learn what each profession entailed or entails on a daily basis how one gained entry to the vocation training methods and typical compensation levels for the job The book provides sufficient specific detail to convey a comprehensive understanding of the experiences benefits and downsides of a given profession Selected accompanying documents further bring history to life by offering honest testimonies from people who actually worked in these occupations or interacted with those in that field

Latin America Juan Manuel Pérez,2004 This is a general bibliography on Latin America covering a wide variety of subjects from pre Columbian civilizations to Columbus to Castro to the foreign debt to pollution ect This work will not only be of use to the general casual reader on Latin America but also to the more specialized researcher The book contains over 800 topics with over 8 000 titles identified
