*The Balancing Act* J. Harrison Drake, 2010-05      **The Balancing Act** Sharon Seivert, 2001-10-01 Highly effective strategies that help people and businesses succeed using the five elements of water air earth fire and ether The five elements represent emotion mind body drive and soul Presents case studies from Seivert's organizational and executive clients in financial services health care government academics technology retail and marketing The unique tools in *The Balancing Act* can be applied equally well to businesses families or personal relationships Have you ever had one of those days when everything went right When the initiatives you started at work came together like clockwork when a family outing seemed like fun and not labor when you and that special someone felt your relationship taking off under its own power Those times were not accidental They happen when the key elements of any system a business a family a relationship come into balance and then function in a state of synergy where the whole becomes much more than the sum of the parts In *The Balancing Act* consultant and personal coach Sharon Seivert shows how you can create this magical state of affairs in your life love and work on a daily basis Starting with an extensive questionnaire that lets you evaluate the health of your business relationships and self Seivert teaches you how to recognize which of the five traditional elements that make up any system are in balance and which need more of your attention Exercises and tips for nourishing each element demonstrate how you can take a proactive role in bringing your life successfully into a state of balanced harmony

**The Balancing Act** J. Harrison Drake, 2010-05-05      *The Balancing Act* Fiona Parashar, 2005 A recent work life study by MANAGEMENT TODAY revealed that almost half of Britain's managers feel too mentally and physically exhausted to do anything other than work and sleep and nearly a third say their lives are out of control Around half of the people questioned said they would switch jobs tomorrow for a better quality of life Is it the way we work today that is causing this phenomenon or are we just not handling our lives as well as we could THE BALANCING ACT offers the WHY WHAT and HOW of getting more balance in our lives It gets to the root of WHY we're out of balance drawing on Fiona's own theories and interpretation of psychology social trends and observations of the corporate world and says WHAT we can do about it With original ideas to inspire us towards a new way of thinking THE BALANCING ACT suggests HOW we can change our lives in easy steps Written in a language clearly at one with the fast pace and issues faced at work today this is a coaching book on how to get more balance in your life your way your style your time

**The Balancing Acts of Academic Leadership** Jeanne A. K. Hey, 2021-11-15 Are you an academic leader or considering taking on a leadership position in the academy Then this book is for you even in an era of crisis in the highly complex higher education sector A one size fits all leadership philosophy can not meet all the challenges and opportunities facing academic leaders Rather successful leaders require a range of approaches and an ample supply of tools to maximize their effectiveness This volume takes you through a series of balancing acts each of which helps you to tailor your leadership choices to the issue at hand It helps leaders to identify your current strengths and comfort zone in a

series of dimensions and then encourages you to move beyond those comfort zones and to develop an ever expanding array of leadership tools and skills The result will be greater effectiveness in your decision making relationships and management
