**Prescott's Original Whiskey Row** Bradley G. Courtney,2015-11-09 Some of the oldest most notorious saloons in the American West lined the streets of Prescott s Whiskey Row Dating back to 1864 the remote mountain town thrived on its mining and cattle industries during the day and raised hell at night when dusty outlaws and pioneers like Virgil Earp and Doc Holliday crowded Row saloons to quench their thirsts Whiskey Row bore witness to legendary gunfights murders and other curious tales like that of Baby Bell aka Chance Cobweb Hall known today as Arizona s most famous saloon story From crooked gambling operations and barroom brawls to the devastating fire of 1900 author and historian Bradley G Courtney explores the colorful stories of Whiskey Row **The Grand Tour** Jerry Herman,Michael Stewart,Mark Bramble,1980 In France 1940 an unlikely pair team up to evade the approaching Nazis Little Jacobowsky a Polish Jewish intellectual has been one step ahead of the Nazis for years Stjebinsky is an aristocratic anti Semitic Polish colonel who s trying to get to England Jacobowsky has a car but can t drive the colonel can And so begins their adventurous journey set against a backdrop of lively and lovely songs and dances that takes them to a carnival a Jewish wedding and when the car breaks down onto a train Accompanying them is Marianne the colonel s girlfriend with whom Jacobowsky falls in love But it is not to be Harmony and Counterpoint Bell Yung,Evelyn Sakakida Rawski,1996 This volume of nine essays draws together leading scholars in anthropology social history musicology and ethnomusicology to address the roles and functions of music in the Chinese ritual context How does music one of a constellation of essential performative elements in almost all rituals empower an officiant legitimate an officeholder create a heightened state of awareness convey a message or produce a magical outcome a transition a transformation After an introduction by the volume editors Bell Yung proposes a theoretical framework for dealing with Chinese ritual sound A group of three essays focuses on the music for rituals that create political and social legitimacy followed by a second group of essays considering the music associated with rites of passage Two essays then deal with the music accompanying rituals of propitiation In all these cases music is seen to play a critical role if not the core of the ritual *Homer Beside Himself* Maureen Alden,2001-03-08 Students reading the Iliad for the first time are often bewildered by the sheer volume of information on apparently unrelated subjects contained in it The central narrative seems to unfold very slowly and to be complicated by long speeches containing stories which might be interesting in themselves but which seem to have no relevance to anything else In this book Dr Alden offers advice on how to read the Iliad through the relationship of major paradigms to the events of the main narrative The first section offers the first full length study in English of the paradigmatic functions of secondary narratives and minor key episodes in the Iliad None of these are irrelevant or merely ornamental rather each is carefully selected and altered if necessary to reflect on significant episodes of the main narrative and act as guides to its interpretation The second section offers a general reading of the Iliad arising out

of Phoenix's advice to Achilles in Book 9. The allegory of the Prayers illustrates the dire consequences of rejecting prayers and the paradigm of Meleager presents us with an instance of an angry hero to whom prayers and entreaties are addressed whilst the primary narrative confines this motif of prayers and entreaties in ascending scale of affection to Achilles and Hector and contrasts their responses. Both heroes suffer terribly for their rejection of entreaties. **True Tales of Prescott** Bradley G. Courtney and Drew Desmond, 2022. Located in the center of Arizona Prescott is the heart and soul of the state. Carved out of the wilderness to become the first capital of Arizona Territory the town has been a magnet for colorful characters since 1864. From Isaac Goldberg proprietor of the first saloon to musical icon Bruce Springsteen Prescott has hosted its fair share of legends. Highwayman Brazen Bill Brazelton moseyed through the streets of Prescott as did Bucky O'Neill and Barry Goldwater. Famous landmarks like the Palace Saloon survived not only Prohibition but also the Great Fire of 1900 which burned through Whiskey Row. Join historians Bradley G. Courtney and Drew Desmond as they round up tales of Prescott's fascinating past. **Woman's Missionary Friend**, 1899 *Wings*, 1928 **The Sixth Great Oriental Monarchy: Or the Geography, History and Antiquities of Parthia, Etc** George RAWLINSON (Professor of Ancient History in the University of Oxford.), 1873 **The Early Medieval World** Michael Frassetto, 2013-03-14. This book examines a pivotal period in ancient human history: the fall of the Roman Empire and the birth of a new European civilization in the early Middle Ages. *The Early Medieval World: From the Fall of Rome to the Time of Charlemagne* addresses the social and material culture of this critical period in the evolution of Western society, covering the social, political, cultural, and religious history of the Mediterranean world and northern Europe. The two-volume set explains how invading and migrating barbarian tribes, spurred by raiding Huns from the steppes of Central Asia, contributed to the fall of the Western Roman Empire and documents how the blending of Greco-Roman, Germanic, and Christian cultures birthed a new civilization in Western Europe, creating the Christian Church and the modern nation-state. A-Z entries discuss political transformation, changing religious practices in daily life, sculpture and the arts, material culture, and social structure, and provide biographies of important men and women in the transitional period of late antiquity. The work will be extremely helpful to students learning about the factors that contributed to the decline of the Roman Empire, an important and common topic in world history curricula. **Teaching Literature**, 1930 *Contributions to Education*, 1929
