artists who had come before her when she signed up for a study abroad program in London England However after her travel
companion s belongings are nearly blown up under suspicious circumstances she arrives at her flat where her new roommate
bullies her at knifepoint Exhausted and scared she is quickly disillusioned about her reasons for coming overseas And then
Lizbeth a friend from the United States whose mother is British shows up with a mysterious tale of a stolen family heirloom a
painting so small it could be hidden in the sole of a shoe This painting could prove the existence of a lost royal heir and close
the doors of one of London s largest churches forever Intrigued like a modern Nancy Drew she goes from decoding messages
by candlelight in the dome of St Paul s cathedral to avoiding capture by doodling caricatures of guests amidst the glitz of a
grand country ball In her quest to find the truth can Clare stay connected to the unique voice God has given her to share her
testimony with the other students in the program and solve the meaning of the miniature painting s existence without
compromising her beliefs Reader s Guide Included *The Connoisseur* ,1905
