The Cross And The Spirit:

The Cross and the Spirit Handley C.G. Moule, 2009-09-01 This exposition will be valued not only for its devout and scholarly treatment of the Epistle with which it deals but also for the opportunity it affords of contact with the mind and spirit of Bishop Moule gratefully remembered for his other writings and his public ministry of God's Word in Durham at Keswick Convention and in many other places The chapters on the Doctrine of Christ and the Doctrine of the Spirit will be found to be of special interest and illuminating power Though unpretentious in size the book is veritably a pocket handbook on one of the most vital themes of our most holy faith

The Cross of Christ Andrew Murray, 2017-09-05 Andrew Murray relates in this work the importance of the cross to Christian belief and to the lessons which Jesus Christ wanted to teach all of mankind Although demonstratively brief Murray's explanations contain a conviction and poignancy explaining the centrality and vitality of the crucifix to the Christian faith The crucifixion's importance in Christ's message and destiny and the reasons behind why his spirit was led to a painful end upon the cross are keenly discussed by Murray He delivers explanations of the cross as a symbol of Christian attainment wherein God takes possession of the human soul and frees it from sin for eternity Andrew Murray authored 200 works on the religion and ministry of Christianity the Bible and on topics inspiring Christians to lead virtuous and happy lives Murray spent most of his life imparting the word of God in churches throughout South Africa and in the 1880s became an important figure in the founding of the South African General Mission

The Spirit at the Cross: Exploring a Cruciform Pneumatology Carolyn E. L. Tan, 2019-09-19 What was the Holy Spirit doing at the cross of Jesus Christ Jesus death and resurrection are central to God's reconciliation with humanity Does the Holy Spirit's work pause between Gethsemane and the resurrection What does the phrase through the eternal Spirit in Hebrews 9:14 mean In this book Tan examines the perspectives of John Vernon Taylor Jürgen Moltmann and John D Zizioulas from whom three views of the Spirit's role at the cross are discerned the Spirit as the bond of love between the Father and the Son the Spirit as the Son's coworker enabler and power and the Spirit as the unifier who unites humanity to the Son In addition Karl Barth provides the intriguing concept of the Spirit as divine Judge along with the Father and the Son and specifically the one who carries out God's judgment in Jesus Christ the Elect Integrating these theological perspectives with an in depth examination of the manuscript and exegetical and hermeneutical history of Hebrews 9:14 Tan offers another way of understanding the role of the Spirit at the cross Christ as the Father's pneumatic crucible in whom sinful humanity is judged destroyed and reborn through the power of the Holy Spirit Carolyn Tan's investigation into the Holy Spirit's role in the cross of Christ is very important for a comprehensive theologia crucis Jürgen Moltmann Professor Emeritus of Systematic Theology at the University of Tübingen

What's So Important About the Cross? Derek Prince, 2017-03-07 We know that Jesus' death on the cross is a historic fact but does it have any true meaning and value to us today Legendary Bible teacher Derek Prince explains that the cross not only provides forgiveness from sin it also makes everything else work in our lives The cross continues to be the

ultimate demonstration of God's love and the source of ongoing supernatural grace for us. It is also the basis of healings and miracles today and the foundation of Satan's total defeat. It is even the door to God's secret wisdom as it allows us access to the mind and heart of our heavenly Father. By recognizing the centrality of the cross personally applying it to our lives, we enter into the totality of God's power and provision for us. The cross is not just a historical event but forgiveness, victory, abundance.

Today The Cross and the Spirit Handley Carr Glyn Moule, 1898 **Sin and Redemption** John Garnier, 1895 The Cross, Our Only Hope Andrew Gawrych, Kevin Grove C.S.C., 2016-05-20. The publication of the first edition of The Cross Our Only Hope in 2008 established it as a foundational work of contemporary Holy Cross spirituality. This thoroughly revised edition, which features many new contributions, is a must-have for members of the Congregation of Holy Cross, its friends, lay collaborators, benefactors, and anyone interested in the spiritual tradition of the religious order. Priests and brothers of the Congregation of Holy Cross, including pastors, teachers, and administrators, offer an introduction to the rich, vibrant spirituality of the Congregation through a series of daily reflections on the themes of Holy Cross spirituality: trust in God, zeal, compassion, hope in the cross, discipleship, and education in the faith. This revised edition includes a new foreword, a new introduction by the authors, new reflections, and new contributors, including more international contributors than the previous edition, and quotes from St. André Bessette, who was canonized in 2010. The ministries of the Congregation of Holy Cross include Ave Maria Press, the University of Notre Dame, the University of Portland, Stonehill College, King's College, and many other Holy Cross schools and institutions around the world.

The Wisdom of the Cross and the Power of the Spirit in the Corinthian Church Cletus L. Hull III, 2018-10-18. The cross of Christ crucified symbolized the central theme of Paul's ministry. In his letter to the Corinthians, the apostle commenced his correspondence with the message about the cross and power of God (1 Cor 1:18 NRSV). The proposal for this paper utilizes the method *analogia scripturae*. Set within the wisdom motif of the Greco-Roman world, this study is dedicated to the examination of the apostle's Christology in the context of 1 Cor 1:18-25 and the pneumatology in 1 Cor 2:9-16, as both pericopes are juxtaposed in his epistle. Essentially, the thesis concerns the grounding of the pneumatology of Paul with his Christology in 1 Corinthians. The Corinthian church required clarification and pastoral wisdom with their pneumatic experiences; thus, Paul recognized that a strong theology of the cross complemented their encounters with the Spirit. The question for biblical studies involves a lively tension of the pneumatology of the Spirit with a robust Christology. Because the power of God throughout this passage has the cross as its paradigm, the structure of the book leads to the significance of the apostle's pneumatological contribution of the cross and Christ crucified (1 Cor 1:18-2:2). For this reason, a strong Christology must ground the pneumatology of the Pauline corpus. This study in biblical literature commences a new discussion in ecumenical dialogue between pneumatic experiences in the church and christological issues in Scripture.

The Mystery of the Cross and the Narrow Gate Revealed: What the Bible Really Says Michael J. Roberts, 2017-09-06 The Mystery of the Cross and the Narrow Gate Revealed is a search to reconcile apparent contradictions in the Bible especially those passages pertaining to salvation Beginning with the premise of the infallibility of the Bible it

argues that both the Reformers understanding of the atonement and their doctrine of salvation are invalid since they are contradicted by numerous scriptures In the end the result of this search is a new understanding of both the atonement and salvation and the development of doctrines on these subjects which will enable us to read canonically without seeing contradictions Through faith and reason a sound hermeneutic and careful exegesis *The Mystery of the Cross and the Narrow Gate* uncovers the internal coherence of scripture with the principal objective of restoring truth and bringing reform to a church that fails to grasp that the Holy Spirit is given to humankind to enable us to become holy and be made fit for the kingdom in heaven refer www.themysteryofthecross.com Christ and the Cross Witness Lee,2024-01-17 Christ and the cross are the center and the reality of the Bible In their writing all the apostles emphasized Christ and the cross and when we know this matter we will truly appreciate the preciousness of the Bible In order for us to grow in life to see the spiritual things and the spiritual way and to be proper Christians we must know Christ and the cross A person who does not know Christ and the cross cannot do a spiritual work or service that satisfies God s heart In order to grow spiritually or do a spiritual work such as preaching the gospel or administrating the church we must know Christ and the cross *Lessons at the Cross* Samuel Hopkins,1864 **Secret of the Cross** Andrew Murray,2020-02-19 The question often arises how it is with so much church going Bible reading and prayer that the Christian fails to live the life of complete victory over sin and lacks the love and joy of the Lord One of the most important answers undoubtedly is that he does not know what it is to die to himself and to the world Yet without this God s love and holiness cannot have their dwelling place in his heart He has repented of some sins but knows not what it is to turn not only from sin but from his old nature and self will Yet this is what the Lord Jesus taught He said to the disciples that if any man would come after Him he must hate and lose his own life He taught them to take up the cross That meant they were to consider their life as sinful and under sentence of death They must give up themselves their own will and power and any goodness of their own When their Lord had died on the cross they would learn what it was to die to themselves and the world and to live their life in the fullness of God Our Lord used the Apostle Paul to put this still more clearly Paul did not know Christ after the flesh but through the Holy Spirit Christ was revealed in his heart and he could testify I am crucified with Christ I live no longer Christ liveth in me In more than one of his Epistles the truth is made clear that we are dead to sin with Christ and receive and experience the power of the new life through the continual working of God s Spirit in us each day As the season of Lent approaches each year our thoughts will be occupied with the sufferings and death of our Lord Emphasis will be laid in the preaching on Christ for us on the cross as the foundation of our salvation Less is said about our death with Christ The subject is a deep and difficult one yet every Christian needs to consider it It is my earnest desire to help those Christians who are considering this great truth that death to self and to the world is necessary for a life in the love and joy of Christ In *The Secret of the Cross* Andrew murray seeks to explain the chief words of our Lord and of His disciples on this subject He offers these two points to the reader First take time to read

over what you do not understand at once Spiritual truth is not easy to grasp But experience has taught that God s words taken into the heart and meditated on with prayer help the soul by degrees to understand the truth And secondly be assured that only through the continual teaching of the Holy Spirit in your heart will you be able to appropriate spiritual truths The great work of the Holy Spirit is to reveal Christ in our hearts and lives as the Crucified One who dwells within us Let this be the chief aim of all your devotion complete dependence on God and an expectation of continually receiving all goodness and salvation from Him alone Thus will you learn to die to yourself and to the world and will receive Christ the Crucified and Glorified One into your heart and be kept through the continual working of the Holy Spirit The Blood Of The Cross Andrew Murray,1981-08-01 We can never know too much about the truths that the blood of Christ proclaims Andrew Murray through his truly inspirational walk with God has lifted the veil on much of the mystery of Christ s blood and its precious source of life He shares the tremendous power that Christ s blood has for each of us if we accept it as our rightful inheritance and rely upon it to protect and enable us to accomplish our purposes in God The Cross and Salvation (Hardcover) Bruce Demarest,2006-08-01 With America s confidence in the Bible at an all time low and the strength of her spiritual convictions waning it is essential for Christians especially Christian leaders to be well grounded in biblical theology To have a clear and comprehensive understanding of the key doctrines of evangelicalism In response professor and award winning author Bruce Demarest has made plain God s glorious plan of salvation his provision for the human dilemma through Christ s work on the cross and the application of saving grace to unbelievers Demarest s unique approach defines each topic identifies its most pressing issues examines the ways in which the doctrine has been understood historically and interprets the Bible s revelation The result is a clear and carefully constructed doctrinal statement that you can defend live out and communicate to others This singular comprehensive treatment of one of Christianity s essential doctrines gives definitive Bible based answers about salvation and the cross and about related theological issues such as grace and regeneration It s perfect for clarifying your theology and gaining deep understanding of this foundational theme Part of the Foundations of Evangelical Theology series **The Spirit and the Cross** Mike Mazzalongo,2023-07-18 The twin goals of this series are to first explain the history and evidence of the triune nature of God in the Bible and carefully trace the specific role of the Holy Spirit in the plan of salvation as this is revealed in both the Old and New Testament **The Cross - Second Edition** Adrienne von Speyr,2018-03-21 This small and simple spiritual gem offers a profound contemplation of the Seven Last Words of Christ with specific application to the seven sacraments he instituted Adrienne von Speyr leads us to the foot of the Cross where she gazes upon the crucified Christ and listens deeply as he cries out in suffering and opens the portals of divine grace The Cross Word and Sacrament will challenge and encourage the reader to participate more deeply in the Paschal Mystery through a greater appreciation and understanding of the sacraments and their source in the Cross The words Jesus utters in his agony as recorded in the Gospels contain not only the gifts experienced in the sacraments of the Church but also questions Do you

truly understand what is being offered to you Will you accept these gifts Will you suffer the mystery contained in such love In short this book calls the reader to conversion which is a continual process of turning toward the Son who leads us in union with the Holy Spirit into an ever deepening relationship with the Father Thus is the reader invited to enter the very life of the Trinity that communion of love without end
