The Crowded House:

Crowded House (Music DVD). Crowded House, *Crowded House: Something So Strong* Chris Bourke, 2014-08-14 It's pretty stupid comparing us to the Beatles. There were four of them. There's only three of us. Paul Hester. Crowded House promised to become the most successful band ever to have come out of Australasia. When *Don't Dream It's Over* and *Something So Strong* exploded in the US charts, worldwide success looked inevitable. Critics compared them musically to the Beatles and fans adored them for their warmth and humour on stage. Four brilliant albums later, their rollercoaster ride of achievements and disappointments came to an end on the steps of the Sydney Opera House in front of one of the largest audiences in Australian history. The dream was over; the band had finally broken up. Their enormous promise was only partially fulfilled. In this definitive account, New Zealand journalist Chris Bourke has written the true story of the first phase of Crowded House. With unparalleled access to all the band members, their families, friends, musical collaborators, managers, and record company personnel, he has captured their essence. It is a unique tale of musical chemistry, family bonds, and the personal costs of pursuing an artistic vision. From the manic energy of the recording studio to the machinations of the record industry, this riveting account is a book for every Crowded House fan. This latest edition of *Crowded House: Something So Strong* includes new material from the author. **Crowded House Complete** Crowded House (Musical group), 1999

Crowded House Jon Magidsohn, 2024-12-04 When Crowded House arrived with their debut album and hit single *Don't Dream It's Over* in 1986, the seed of a unique musical journey was planted into our collective musical consciousness. The Aussie Kiwi trio created a sound as playful as Split Enz, out of which two of its members graduated with an adventurous spirit inspired by The Beatles and crafted genuinely enduring melodies. Earworm-worthy songs like *Weather With You*, *Distant Sun*, *Better Be Home Soon*, and so many others have become genre-bending and timeless creations. What began with three buddies led by songwriter Neil Finn, playfully frolicking and mugging to the camera in music videos, developed into a band of mature artists reflecting on life, love, and mortality after the death of their beloved drummer. This blossomed once again into a true family band as the younger Finns joined their father as permanent members. Along the way, Crowded House consistently churned out unforgettable melodies over eight studio albums. Bolstered by an exclusive interview with Neil Finn and including the band's most recent album *Gravity Stairs*, this track-by-track exploration of their poetic lyrics and musical legacy recognises the quality that has brought them the love and admiration of music fans and fellow musicians from around the world. The author, Jon Magidsohn, is a writer and musician living in south London. Originally from Toronto, he is the author of the memoir *Immortal Highway*, the poetry collection *Conversations on a Raft*, and the album of original songs *A World Without Corners*. A consultant and teacher of creative non-fiction, he has also been an actor, bartender, upholsterer, sales representative, handyman, and dad. His writing has been featured in *The Guardian*, *National Geographic Traveller*, and *Hippocampus Magazine*, among other journals. This is his first book about music. www.jonmagidsohn.com Marcella Mrs. Humphry
