The Crown:

The Crown Nancy Bilyeau, 2012-01-10 Leaving her Dominican Order to stand by a cousin who has been condemned to death by Henry VIII novice Joanna Stafford and her father are arrested and ordered by the Bishop of Winchester to recover a religious artifact believed to hold a sacred power [Aboriginal Customary Law: A Source of Common Law Title to Land](#) Ulla Secher, 2014-12-01 Described as ground breaking in Kent McNeil s Foreword this book develops an alternative approach to conventional Aboriginal title doctrine It explains that aboriginal customary law can be a source of common law title to land in former British colonies whether they were acquired by settlement or by conquest or cession from another colonising power The doctrine of Common Law Aboriginal Customary Title provides a coherent approach to the source content proof and protection of Aboriginal land rights which overcomes problems arising from the law as currently understood and leads to more just results The doctrine s applicability in Australia Canada and South Africa is specifically demonstrated While the jurisprudential underpinnings for the doctrine are consistent with fundamental common law principles the author explains that the Australian High Court s decision in Mabo provides a broader basis for the doctrine a broader basis which is consistent with a re evaluation of case law from former British colonies in Africa as well as from the United States New Zealand and Canada In this context the book proffers a reconceptualisation of the Crown s title to land in former colonies and a reassessment of conventional doctrines including the doctrine of tenure and the doctrine of continuity With rare exceptions the existing literature does not probe as deeply or question fundamental assumptions as thoroughly as Dr Secher does in her research She goes to the root of the conceptual problems around the legal nature of Indigenous land rights and their vulnerability to extinguishment in the former colonial empire of the Crown This book is a formidable contribution that I expect will be influential in shifting legal thinking on Indigenous land rights in progressive new directions From the Foreword by Professor Kent McNeil to read the Foreword please click on the sample chapter link [In the Shadow of the Crown](#) Jean Plaidy, 2009-01-21 As Henry VIII s only child the future seemed golden for Princess Mary She was the daughter of Henry s first queen Katharine of Aragon and was heir presumptive to the throne of England Red haired like her father she was also intelligent and deeply religious like her staunchly Catholic mother But her father s ill fated love for Anne Boleyn would shatter Mary s life forever The father who had once adored her was now intent on having a male heir at all costs He divorced her mother and at the age of twelve Mary was banished from her father s presence stripped of her royal title and replaced by his other children first Elizabeth then Edward Worst of all she never saw her beloved mother again Katharine was exiled too and died soon after Lonely and miserable Mary turned for comfort to the religion that had sustained her mother In a stroke of fate however Henry s much longed for son died in his teens leaving Mary the legitimate heir to the throne It was she felt a sign from God proof that England should return to the Catholic Church Swayed by fanatical advisors and her own religious fervor Mary made horrific examples of those who failed to embrace the Church earning her the

immortal nickname Bloody Mary She was married only once to her Spanish cousin Philip II a loveless and childless marriage that brought her to the edge of madness With In the Shadow of the Crown Jean Plaidy brings to life the dark story of a queen whose road to the throne was paved with sorrow
