and Hemingway each volunteered for humanitarian medical service in World War I then drew upon their experiences in subsequent literary works Jennifer Haytock and Milena Radeva Costello analyze their powerful perspectives on the cataclysmic conflict traditionally viewed as marking the advent of modernism in literature In turn Cecilia Macheski and Sirpa Salenius consider the authors passionate representations of Italy informed by personal sojourns there in which they observed its beautiful landscapes and culture its liberating contrast with the United States and its period of fascist politics Linda Wagner Martin Lisa Tyler and Anna Green focus on the complicated gender politics embedded in the works of Wharton and Hemingway as evidenced in their ideas about female agency sexual liberation architecture and modes of transportation In the collection s final section Dustin Faulstick Caroline Chamberlin Hellman and Parley Ann Boswell address suggestive intertextualities between the two authors with respect to the biblical book of Ecclesiastes their serialized publications in Scribner s Magazine and their affinities with the literary and cinematic tradition of noir Together the essays in this engaging collection prove that comparative studies of Wharton and Hemingway open new avenues for understanding the pivotal aesthetic and cultural movements central to the development of American literary modernism

**The Book of Love** ,1996 The late John Cheever once insisted that saving a letter is like trying to preserve a kiss Luckily for us the loved ones of great writers ranging from Sappho to Anne Sexton from Anton Chekhov to Mr Cheever himself have ignored that clever dictum In more than one hundred of the most powerful witty wicked and whimsical letters ever written we chronicle passion s erratic progress Why should Marcus Aurelius s amorous words sit side by side with John Steinbeck s letter to the woman who inspired much of his late work Distinguished scholar Cathy Davidson argues that the love letter is a form of literature all its own a genre whose language may have changed from ancient Rome to twentieth century America but whose basic form and content remain the same For if all literature is a kind of seduction then the love letter becomes the perfect vehicle for writers to hone their seductive skills With novelistic flair Ms Davidson has arranged these letters as though they were all part of one romance a romance in which any of us may have played a part From the joy of Falling in Love to the pain of Unrequited Love we chart the evolution of that most hard to define emotion These pages are filled with glorious examples of writers being just like the rest of humanity to wit willing to stake so much on what at times seems like nothing more than a promise and an act of faith How delightful to discover the master of light verse Ogden Nash writing tenderly to a woman he first saw across a crowded room nine months earlier This is a particularly gifted and intelligent pen Look what it s writing now I love you That s a phrase I can t get out of my head but I don t want to I vewanted to try it out for a long time I like the look of it and the sound of it and the meaning of it Of course what writers do better than anyone else is to write about love Through Ms Davidson s deft touch **The Book of Love** becomes a treasure trove of literary discovery She

in old New York Stephen Glennard the novels protagonist is suddenly impoverished and unable to marry the woman he loves He sells the private letters a former admirer had written to him before she had become a famous author He is later overcome by guilt for betraying one who had loved him     **Civil Wars** Susan Goodman,2003-06-02 In a work that recovers the broader meaning of manners for past generations Susan Goodman demonstrates that American writers have consistently tied the subject of national identity to the norms and behaviors of everyday life that in fact the novel of manners is a dominant form of American fiction     [A Common Life](#) David Laskin,1994 Edith Wharton was nearly forty rich and unhappily married when she met the sixty year old Henry James in London in 1903 His thunderous advice to Do New York steered her toward her first triumph with *The House of Mirth*
