Letters of the Rev. Samuel Rutherford ... with a Sketch of His Life Samuel Rutherford,Andrew Alexander Bonar,1875
Letters of Samuel Rutherford Samuel Rutherford,199? In this classic collection of correspondence Scottish pastor Samuel Rutherford 1600 1661 offers heartfelt encouragement wisdom and counsel to his fellow believers With a pastor s heart and a poet s pen Rutherford addresses a wide range of spiritual topics from affliction and sorrow to joy and faith His words steeped in Scripture and flowing with love for Christ continue to resonate with readers across the centuries Whether you are facing trials or seeking a deeper walk with God The Letters of Samuel Rutherford will refresh your soul and point you to the unfailing hope found in our Savior **The Letters of Samuel Rutherford** Samuel Rutherford,1867 *Letters Of Samuel Rutherford* Samuel Rutherford,2023-07-18 In this collection of letters Samuel Rutherford offers advice and encouragement to his friends and colleagues His insights into faith and Christian living have inspired generations of readers This book is a must read for anyone looking to deepen their faith and understanding of God s love This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Letters of Samuel Rutherford* Samuel Rutherford,2024-06-19 Like John Bunyan in Bedford gaol Samuel Rutherford did his best work while suffering imprisonment for the gospel His opponents had meant to silence him but instead they perpetuated his ministry through the centuries for it was out of this period that most of his famous Letters came Addressed to high and low they were so prized by the recipients that the first collection by Robert McWard appeared in 1664 just three years after Rutherford s death the successive editions contained more letters until they grew to the 365 in Andrew Bonar s classic edition From this the most remarkable series of devotional letters that the literature of the Reformed churches can show the great leaders in the Church as well as the humblest Christians have drawn strength It is said of Robert Murray M Cheyne that the Letters of Samuel Rutherford were often in his hand This abridged edition contains sixty nine of these letters **Extracts from the Letters of Samuel Rutherford** Samuel Rutherford,2008-03 The letters of Samuel Rutherford 1600 1661 have been a source of encouragement and inspiration to Christians for over 350 years but to the modern reader their language and structure can often hinder the enjoyment of their true value In 1913 Hamilton Smith 1862 1943 set out to make the heart of the letters and of Rutherford himself more accessible to the reader of his day He

organised a selection of extracts under topical headings covering such themes as warning peace evil the Devil death comfort pilgrimage glory and above all Christ Retaining Rutherford s original text with occasional explanatory footnotes he created a volume of devotional readings which have stood the test of time in sharing Rutherford s passion for the love of Christ The publisher is pleased to make this classic work available once again **Letters of Samuel Rutherford** Samuel Rutherford, Andrew Alexander Bonar, 1891 These letters will ever be precious to all who are sensible of their own and the Church s decay and corruptions The wound and the cure are therein so fully opened out self is exposed specially spiritual self He will tell you There is as much need to watch over grace as to watch over sin He will show you God in Christ to fill up the place usurped by self The subtleties of sin idols snares temptations self deceptions are dragged into view from time to time And what is better still the cords of Christ are twined round the roots of these bitter plants that they may be plucked up Nor is it otherwise in regard to corruption in public and in the Church We do not mean merely the open corruption of error but also the secret gray hairs of decay Hear him cry There is universal deadness on that fear of God O where are the sometime quickening breathings and influences from heaven that have refreshed His hidden ones And then he laments in the name of the saints We are half satisfied with out wither dness nor have we as much of his strain who doth eight times breathe out that suit Quicken me We live far from the well and complain but dryly of our dryness Andrew Bonar **Letters of the Rev.
