Marie Corelli

The Life Everlasting:

The Life Everlasting John Hancock Pettingell, 1883 **The Life Everlasting** Marie Corelli, 1911 **The Life Everlasting** Marie Corelli, 1911 Some of the themes only hinted at in Marie Corelli's 1886 breakthrough novel *A Romance of Two Worlds* are fully fleshed out in fascinating detail in her later work *The Life Everlasting*. In the future world Corelli brings to life in this novel, scientific breakthroughs have made it possible to master radioactivity and other previously unharnessed energies. The female narrator opts to undergo a spiritual process that is designed to bring her to a higher plane of understanding and along the way she learns a great deal about her true nature and capabilities.

The Life Everlasting Marie Corelli, 1973 1911 Marie Corelli was one of the select authors whose works were obviously inspired from a source far beyond the powers of the greater masses of human beings to contact. This long out of print novel stands out as an undying masterpiece; it is a vital.

The Life Everlasting Marie Corelli, 2004-06 I did not trouble myself to reply. The white sails of the Dream were coming nearer and nearer over the smooth width of the sunlit water and as she approached my heart grew warm with gratitude. Life was again a thing of joy; the world was no longer empty. That ship looked to me like a beautiful winged spirit coming towards me with radiant assurances of hope and consolation and I lost all fear, all sadness, all foreboding as she gradually swept up alongside in the easy triumph she had won. Our crew assembled to welcome her and cheered lustily. Santoris standing on her deck lightly acknowledged the salutes which gave him the victory and presently both our vessels were once more at their former places of anchorage.

The Life Everlasting Marie Corelli, 2021-10-10 The life everlasting. From Marie Corelli. *Life Everlasting* Duane S. Crowther, 2006 *Life Everlasting* is a fascinating examination of man's future life from the time of death until his entry into the heavenly realms; the book reaches beyond the commonplace to give profound new insights into the nature of the life to come. This book examines eyewitness accounts of more than 200 individuals who have ventured into the spirit world and have then returned to tell of their experiences. It also draws extensively from the scriptures and from the discourses of Latter-day Saint leaders. As the evidence of these accounts is analyzed, numerous new understandings are revealed to the reader. Within these pages are vivid descriptions of spirit world conditions including buildings, landscaping, wearing apparel, organization, occupations, and Church callings. Many instructive descriptions of the amazing capabilities of spirit beings are provided. Of special interest are the vivid descriptions of Jesus Christ as He has appeared to many who have entered into Paradise; the numerous roles of spirit beings who visit the earth as Guardian Angels and in other capacities are described in detail; the factors which govern man's time of death are discussed and the nature of man's new birth into the next life is described in detail by those who have experienced it. *Life Everlasting* peers into the spirit prison and hell and reports conditions in those environments. Then it sweeps forward in time to analyze the nature of the resurrections and final judgment; a careful consideration of the final rewards available to man is made with detailed and specific coverage of the fate of the sons of perdition and the destinies of the inhabitants of the celestial, terrestrial,

and celestial kingdoms the final chapter is a penetrating explanation of the nature of godhood and exaltation Few books have ever combined such a wealth of new concepts and interesting information with the careful presentation documentation and scholarship of Life Everlasting Latter day Saints will find strong evidences which confirm their beliefs in the afterlife Others no matter what their religious orientation will find Life Everlasting to be one of the most far reaching comprehensive presentations of life after death experiences in print It is inevitable that this book will continue to be widely read and discussed for many years to come *I Believe* A.A. Van Ruler,2015-05-21 The Apostles Creed is one of the earliest summaries of the Christian faith and is accepted by most forms of Christianity It is a simple statement of 12 beliefs each central to Christianity It begins with I believe and each of the 12 statements is the statement of a certain belief thus the title of the book This is an important contribution to understanding the meaning of Christianity Written in easy to understand but never superficial language This is a particularly engaging book for anyone who wants to understand Christian thought and gain a deeper appreciation of it This book can also be used to great effect in Church discussion groups [Life Everlasting](#) John Fiske,2012-01-25 High quality reprint of Life Everlasting by John Fiske **The Englishman's Greek Concordance of the New Testament** George V.
