## **Through Middle Eastern Eyes:**

*Jesus Through Middle Eastern Eyes* Kenneth E. Bailey, 2008-01-22 Beginning with Jesus birth Ken Bailey leads you on a kaleidoscopic study of Jesus throughout the four Gospels examining the life and ministry of Jesus with attention to the Lord's Prayer the Beatitudes Jesus relationship to women and especially Jesus parables The work dispels the obscurity of Western interpretations with a stark vision of Jesus in his original context **Jesus Through Middle Eastern Eyes** Kenneth E.

Bailey, 2008 Ken Bailey presents a collection of essays on the Gospels You will gain new insights as you view the Gospel stories through the lens of Middle Eastern peasant culture Through Middle Eastern Eyes Michael Parker, 2024-02-26 Kenneth E Bailey was both a missionary and a New Testament scholar As a missionary first in Egypt and later in Lebanon Israel Palestine and Cyprus he experienced firsthand the life of traditional Middle Eastern villagers which led him to the conclusion that the village culture he witnessed in the twentieth century had hardly changed since the first century Consequently he was able to reinterpret Jesus's parables and life experiences through this traditional culture In a remarkable series of acclaimed books which include *The Cross and the Prodigal* *Jacob and the Prodigal* and *Jesus through Middle Eastern Eyes* Bailey showed that Jesus was the first mind of the New Testament who used story and metaphor to challenge the leaders of his day in ways often unappreciated by contemporary readers This biography explains the origins of Bailey's key ideas and recounts his often fraught missionary career one that included the austere and the sometimes harsh life in the simple villages of Upper Egypt the perils of life in Beirut during the Lebanese Civil War 1975-1990 and being evacuated four times during the military conflicts in the region that made possible his groundbreaking insights into the New Testament

*Jesus Through Middle Eastern Eyes* Kenneth E. Bailey, 2009-08-20 Beginning with Jesus birth Ken Bailey leads you on a kaleidoscopic study of Jesus throughout the four Gospels examining the life and ministry of Jesus with attention to the Lord's Prayer the Beatitudes Jesus relationship to women and especially Jesus parables The work dispels the obscurity of Western interpretations with a stark vision of Jesus in his original context *Through Middle Eastern Eyes* Robert P. Pearson, Leon E. Clark, 1993 **Segue** Anthony Warren, 2016-10-26 What if Jesus were to write you a personal letter How quickly would you read it In *Segue* learn that Jesus has indeed written to his followers living today in the early decades of the twenty-first century Through his introduction critic and counsel Jesus speaks directly to you and me today Together we explore the deeply stirring call God has issued to his children to think of our lives as pieces of music to be composed Using music as a metaphor of our lives you will learn how to develop a more intimate walk with Jesus Today our lives sound more like machines chugging along our day-to-day routines rather than the expertly crafted instruments that God intended *Segue* is a musical term that means a seamless transition All of our lives are songs that are being composed What will be the quality of your sound How would this outlook change our lives and the world Through Middle Eastern Eyes Robert P. Pearson, Leon E. Clark, 2002-11-14 This book provides an avenue for Americans in all walks of life to deepen their understanding of Middle

Eastern peoples and their attitudes toward the United States and each other The book creates contexts for readers struggling to understand current conflicts in the region Iraq Israel Palestine as well as the dilemma of the Kurds It is one of the few books containing an overview of contemporary Middle East culture and politics with balanced views from Jews and Muslims rarely contained in one volume including Transcripts of Bin Laden's videotaped messages Post 9/11 transcript of the Saudi Arabian ambassador's interview on Meet the Press A round up of Arab American responses with self criticism by a Muslim and an Israeli scholar Since September 11 2001 much of the world has turned its attention to the Middle East mostly with a string of questions Who were these 19 terrorist hijackers all from the Middle East Why did they attack the U S the World Trade Center in New York and the Pentagon in Washington DC What is there about the Middle East if anything that would lead these terrorists to believe they were martyrs in a holy war and would be given a special place in heaven Through Middle Eastern Eyes attempts to answer these questions and many more The last five selections in the book deal specifically with 9/11 by presenting the views of Osama bin Laden the relations to 9/11 throughout the Middle East the agenda of radical Islamic fundamentalists and the response to this agenda by moderate Muslims In addition several other selections in the book deal with the tenets of Islam its influence on people's daily lives and the tug of war between traditional and Westernized values in the region First published almost three decades ago Through Middle Eastern Eyes attempts to bring to life the Middle East a seedbed of history and religion a hotbed of ethnic and religious conflict Sources range from speeches and historical documents to autobiography traditional and modern literature and economic and political analysis

**Othered**  
Jenai Auman, 2024-06-25 God's people are meant to be a blessing to others Yet in the Scriptures throughout history and in our own times we too often see the people of God causing harm to people on the margins Rather than caring for the widowed and the orphaned or loving the sojourner too often we see abuse of power that breaks spirits and inflicts lasting harm For anyone who has felt left out or pushed out of the church Othered is your invitation to find spiritual rest and belonging in a God who loves restores and blesses the outcast and the marginalized Jenai Auman draws on her experience growing up as a biracial kid in the American South as well as working within toxic ministry environments to reveal a hopeful trauma informed way forward This book illuminates how hurt and betrayal in the church are longstanding problems that God neither sanctions nor tolerates It offers holistic responses to the grief anger and trauma that come with being ostracized or oppressed by the church And it shows how God provides shelter and provision in the midst of the wilderness Because God sees hears and loves you even if the church has failed you

*Equal* Katia Adams, 2019-09-01 In *Equal Church* and ministry leader Katia Adams argues that the church has too often misrepresented the heart of Jesus to release and empower women and men With sensitivity to both sides of the argument Adams draws on the wisdom of Scripture theology and the Holy Spirit Blending them with her own personal experiences she asserts that both women and men are equally called to serve and lead in the church and in the world and that by restricting the roles of women we are missing God's design for the church and for the

gospel's impact on the earth

**Through Middle Eastern Eyes** Robert P. Pearson, 1975 This book intended for use with secondary and college students presents a Middle Eastern view of the Middle East and the world Most of the material in the book has been written by Middle Easterners and it comes from a variety of sources including autobiographies fiction poetry newspaper and magazine articles letters diaries anthropological studies and historical documents There are two major parts Part I Tradition and Change focuses on the most important aspects of life in the Middle East the birth of a child the process of educating the young the system of marriage and the role of women The material has been chosen to reflect both a traditional and a modern view of these issues The last third of Part I concentrates on Islam both as a set of religious beliefs and as a force in the daily lives of the people One selection portrays a modern Middle Eastern family similar in many ways to an American family Part II Past Glories Future Hopes begins with an examination of European control in the Middle East during the first half of the 20th century including a glimpse of early resistance to that control It then moves back in time and looks at the Arab Golden Age and the Ottoman Empire The revolutionary movements and the thrust into world prominence are examined A detailed examination of Israel is included Author RM

**Through African Eyes** Leon E. Clark, 1991-06-01 Africa dark only because of our ignorance of it comes alive through the eyes and voices of its people in this classic work First published more than two decades ago and now thoroughly revised and updated the book lets Africans speak for themselves through autobiography traditional and modern literature historical and contemporary documents letters and diaries Volume 1 begins with the African past focusing on the ancient kingdoms of both East and West Africa and continues through the coming of the Europeans and the African colonial experience concluding with the rise of nationalism in which Africans struggle to regain their freedom from the Europeans

**Summary of Kenneth E. Bailey's Jesus Through Middle Eastern Eyes** Everest Media, 2022-05-30T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The traditional account of the birth of Jesus includes a number of critical flaws These include Joseph was a royal which meant he was from the family of King David Bethlehem was known as the City of David Everyone knew that Jerusalem was the City of David 2 The traditional Christmas story that Jesus was born the same night the holy family arrived in Bethlehem is not supported by the text It is important to inquire why this idea became so popular 3 The traditional interpretation of Luke 2 1 7 is that Joseph was returning to his home village where he could easily find shelter Because he was a descendent of King David all doors were open to him Mary had relatives nearby and could have turned to them but did not 4 The birth of Jesus was recorded in Luke and it is evident that the story was composed by a messianic Jew at a very early stage in the life of the church The text informs the reader that Joseph was of the house and lineage of David

**Paul Through Mediterranean Eyes** Kenneth E. Bailey, 2011-09-12 In this groundbreaking study of Paul's first epistle to the Corinthians Kenneth Bailey examines the canonical letter through Paul's Jewish socio

cultural and rhetorical background and through the Mediterranean context of its Corinthian recipients **Third World Resources**, 1985 [The Rule of Ritual in the Arabian Gulf, 1858-1947](#) Paul John Rich, 1990 [A J M E News](#) Americans for Justice in the Middle East, 1985 [Jesus of Arabia](#) Andrew Thompson, 2018-01-26 In *Jesus of Arabia* the Reverend Canon Andrew Thompson introduces an unfamiliar Jesus Jesus in the context of his home in the Middle East Whether readers believe Jesus to be a prophet or the messiah Thompson enhances our understanding of his work and character by looking at his social context as a man and Middle Easterner Jesus's teachings take on new meaning as Thompson explores themes including family in Arabia gender roles in the region food culture and more *Jesus of Arabia* looks at the bridges between Islam and Christianity through the figure of Jesus and how the two communities may reflect each other despite their differences Thompson draws on his experience as a priest in the Anglican Church and his many years living in the Middle East to analyze the often conflicting roles and loyalties concerning family culture and God A timely and incisive work *Jesus of Arabia* invites us to consider contemporary views of the Middle East and how a figure like Jesus might be received today
