A Song for a New Day Sarah Pinsker,2019-09-10 WINNER OF THE NEBULA AWARD After a global pandemic makes public gatherings illegal and concerts impossible except for those willing to break the law for the love of music and for one chance at human connection In the Before when the government didn t prohibit large public gatherings Luce Cannon was on top of the world One of her songs had just taken off and she was on her way to becoming a star Now in the After terror attacks and deadly viruses have led the government to ban concerts and Luce s connection to the world her music her purpose is closed off forever She does what she has to do she performs in illegal concerts to a small but passionate community always evading the law Rosemary Laws barely remembers the Before times She spends her days in Hoodspace helping customers order all of their goods online for drone delivery no physical contact with humans needed By lucky chance she finds a new job and a new calling discover amazing musicians and bring their concerts to everyone via virtual reality The only catch is that she ll have to do something she s never done before and go out in public Find the illegal concerts and bring musicians into the limelight they deserve But when she sees how the world could actually be that won t be enough

Predator Within Ophelia Lucas,2006-11 This book the Predator Within reflects many people who have experienced the similar abuse Growing up in today s society is a real challenge for any child as well as an adult My life is based on my own personal struggles within The obstacle sometimes is not what you try to avoid but what you try to forget We all have something that we are ashamed of or want to forget but our minds are a light to our soul and a hard drive of information that no matter how hard we try to delete the information the shame or fear is still in memory This

book is a light of my soul and a memory of my hard drive to move forward This is about my life s journey to continue to pursue my destiny even when the odds are tacked against you My life is only a testimony to all not to give up on their dreams even if life takes an ugly turn never give up on your destiny to be all that God wants you to be I have learned to be an over comer instead of the victim For every book purchase a part of it proceeds will be donated to develop awareness and encourage others who have lost their way Thank you for all of your supports
