Throwaway Child:

Throwaway Child Sarah Lowe, 2013-06 Annie was her family's dark secret Her life began on a storeroom floor amongst the chaos and extreme poverty of World War II Her ongoing problem of having one leg shorter than the other was helped when unknown to her parents she sought help at a children's clinic where she was provided a built up boot to help her walk She was eight years old when her father took away her innocence and subjected her to horrific cruelty Savagely beaten and thrown down a railway embankment she was left in the winter cold to die on the railway tracks Annie survived only to be placed in a convent She not only had to face her demons but find her identity when she became a Throwaway Child Through sheer willpower and inner strength Annie was determined to fight for her freedom by unleashing her parents' terrible secret Sarah Lowe grew up in Birkenhead England and now calls Australia home This is her first book My late husband Jack motivated me into finishing this book because he said I needed to rid the demons I have kept hidden inside of me for far too long Publisher's website <http://sbpra.com> SarahLowe **Throwaway Child** Frederick H. Savage, 2001 [The Throwaway Kids](#) Peggy Case Aldhizer, 2012-10-15 I cannot even now say how many nights I lay in bed and hugged my pillow to me burying my face in it and cried and whispered Mommy Mommy or Daddy Daddy where are you I would pray that somehow they could hear me Sometimes even as young as I was I felt so desperate so alone and I knew Mom and Dad would never come for us I would lie in my bed in the darkness at night and pray so hard and I felt that not even God heard me anymore There were so many different homes we were in and we were so young We became little throwaways little sheep Sometimes we were able to stay with our father but only for a very short time Whenever Dad could not pay for our board he was in jail or sick we were moved again and again Always obliging and quiet learning quickly that crying and begging and clinging to Dad did not help us We had our times to laugh as children who even in the worst of their situations can do and our time to weep as we did all too often Thank God we had each other two little sisters against the world that at times seemed too big and scary and extremely uncertain *Runaway Kids and Teenage Prostitution* R. Barri Flowers, 2001-06-30 This concise and accessible new text examines the correlations between runaway children and teenage prostitution in the United States from a criminological sociological and psychological perspective The author takes a systematic approach to defining and describing the differences between youth who run away from home and those who leave institutional settings and distinguishes the difference between runaway and throwaway children A careful examination of teenage prostitution among girls and boys helps to illuminate the special problems faced by children who have run away In addition the author discusses laws related to runaways teenage prostitution and the sexual exploitation of minors as well as the criminal justice response to the problems Runaways and prostitution involving youth in other countries is also explored The text's findings support current conclusions on the characteristics of runaways the relationship between runaways and teen prostitution and the implications of running away from home *Runaway Kids and Teenage Prostitution* is divided into five parts Part I examines the

scope and dynamics of running away and differentiates between runaways and throwaways Part II explores teenage prostitution and provides information on girl and boy prostitutes and the people who exploit them Child sexual abuse and child pornography as correlates to the problem are studied in Part III and Part IV reviews the law that attempts to combat teenage prostitution Part V is devoted to an examination of the scope and significance of the problem in other countries Together these chapters provide readers with a clear picture of the problem of runaways and teenage prostitution in the United States and around the world

Phase Shift Elise Abram, 2014-09-18 If you knew the world were about to end what would you do If you found the key to another Earth would you use it When archaeologist Molly McBride finds the key to a doppelganger Earth she is swept into a world of conspiracy that could end in the death of not one but two planets Will Molly be able to prevent the impending cataclysm

She! A Puzzle Undone Nola Veazie, 2019-07-24 Many of us search for something a mirage that often disappears from view We search for a shadow that seems to vanish with time and movement an illusion You say your quest is to find the story of self Are you seeking something that seems impossible to find Looking in the distance for a story untold or was it already told Maybe your story encompasses every other woman s story Someone told your story but no one has ever told your story like this before She A Puzzle Undone reveals every conceivable feeling you may experience It s a story about anger fear jealousy anguish joy and victory This is your story one that highlights all of you the good parts the bad parts the parts you wish you could forget and the ones you always want to remember This novel will inspire you to think about your frailty and strength Most importantly it will remind you that life is a journey with a purpose

Unbreakable Threads Emma Adams, 2018-08-29 An extraordinary story of courage and kindness and the ultimate triumph of family over what at times seem like insurmountable odds Abdul is dignified defiant even but his poise is beginning to wear thin in this place He needs surgery for a chronic shoulder injury sustained when he was hit by a car in Kabul Like the others in detention with him he faces an uncertain fate and years in limbo Most of the people in the centre have already had their spirits broken When psychiatrist and mother of three Emma Adams travels to Darwin as an observer of conditions for mothers and babies in the immigration detention centres there she expects the trip to be confronting What she doesn't expect is to return to Canberra consumed by the idea that she must help a sixteen year old unaccompanied Hazara boy from Afghanistan Abdul The premise was simple Wouldn't any teenage boy be better off staying with a family rather than locked behind a wire fence In this brutal and bureaucratic system freedom was a hopeless dream Emma and Abdul's connection and her fight to get him out and provide him with an Australian home a family and a future forms an important testimony in Australia's appalling treatment of asylum seekers Their story is a beacon of hope and humanity
