Thunder Snow:

Thunder Snow of Buffalo Don Purdy, Billy Klun, 2021-06-07 The City of Buffalo New York is known for its snowy reputation but the snowstorm of October 2006 was beyond unexpected It caught Buffalonians so off guard that it merits this book of true stories from citizens including a foreword by Hall of Fame Coach Marv Levy and remarks from Mayor Byron Brown Don Purdy a longtime executive with the Buffalo Bills shares how he his family and the football organization overcame the surprise storm which occurred Friday the 13th and remains the most destructive in Buffalo s history Over thirty players coaches and staff deliver their own fascinating memories such as leaving their families behind without power or heat to travel to Detroit for a regular season game along with never before shared accounts of the inner workings of One Bills Drive and the National Football League Meteorologists from all three major local television networks reveal their personal and professional experiences notably how the Storm happened and how they missed it Dozens of other prominent members of radio police medical clergy insurance business education and Buffalo s NHL Sabres hockey team vividly recall their reactions and subsequent decisions Co Author Billy Klun delivers superb literary framing throughout and even takes the reader inside his then fourteen year old mind struggling to make sense of a landscape turned upside down over night In the overwhelming aftermath the city s recovery efforts were boosted by a pair of highly inventive altruistic volunteers determined to replant the 55 000 lost trees and provide the downed tree carcasses a proud second life Buffalo style In addition to the Bills organization s quick thinking and innovative operational adjustments Thunder Snow of Buffalo offers plenty of humor and laughs including rookie players from the South asking If this happens in October what will the real winter months be like
