

CHRISTOPHER THE HIDDEN

CHRISTOPHER THE HIDDEN is a new concept in the world of home furnishings. It is a collection of furniture designed to be hidden away when not in use. The pieces are made of high-quality materials and are designed to blend seamlessly into your home. When you need them, they are easy to pull out and use. When you don't, they disappear. This is the perfect solution for those who want a clean, minimalist look but also need extra seating or storage space. Christopher the Hidden is the answer.

Farberow,2017-07-05 Why is it so hard to investigate taboo topics A myriad of forces shape and fashion human action reaction thought and feeling and these are not always well understood Norman L Farberow argues that culture itself provides structure for its members developing in a well defined way the rules to which they will conform Such rules find expression not only in written laws and regulations but include and most often stem from unwritten folkways customs and especially taboos the subject of this book The researchers reporting in this volume take no position on the nature of a taboo itself but concentrate on the difficulty in investigating taboos As members of society and human beings they do make judgments and personal investments Thus when taboos continue or develop without useful society enriching functions or facilitate self destructive activities they raise questions about why they persist Such topics include many areas some social such as sex death and peace others more academic such as parapsychology graphology religion and hypnosis Peace and the

public are included in the discussion because they are emotion laden areas and powerful and important factors in a shrinking world and expanding universe Peace especially has begun to be looked upon with suspicion perhaps a real commentary on our times This probing collection will be sure to interest sociologists anthropologists and all other social scientists **Taboo** Franz Steiner,2013-11-05 Scholars have been trying to explain taboo customs ever since Captain Cook discovered them in Polynesia over 200 years ago The subject has been treated at length but none of the theories has more than a limited validity so numerous are the taboos recorded and so diverse the societies in which they occur This book contains chapters on Taboo as a Victorian invention The complicated taboos in the Pentateuch Taboos in Polynesia Originally published in 1956
