Tilers Afternoon:

A Tiler's Afternoon Lars Gustafsson,1993 In his newest novel A Tiler s Afternoon Lars Gustafsson invites us to share a day s work with Torsten Bergman an aging semi retired tile layer On this particular day Torsten arrives at an empty suburban villa partially renovated and left unfinished A master craftsman he knows what to do and goes about his business all the while reminiscing over his past considering what may be left of his future daydreaming about the mysterious Sophie K the absent occupant of the villa s upstairs flat No one checks on the work With the close of the day comes Torsten s growing unease over hours spent on perhaps futile labor But at that moment there was a loud knocking at the door no more of a pounding than a knocking It sounded as if by some strange coincidence the whole world had come to life again and was trying to get in Like Samuel Beckett Lars Gustafsson turns the plainest of circumstances into poignant universals There are yet roads to travel after we say we cannot go on
