Torah Personality:

Developing a Torah Personality Bogopolsky, 2016-05-01 *The Torah Personality* Nisson Wolpin, 1980-01-01 The Torah Personality Nisson Wolpin, 1980 **The Torah Personality** Nisson Wolpin, 1988 Israel Salanter, Text, Structure, Idea Hillel Goldberg, 1982 **Chapters of the Sages** Reuven P. Bulka, 2002 Pirkey Avot is divided into six chapters The first five deal with different dimensions of existence including the transmission of Jewish values the direction of one's life path the means of keeping sanctity in one's life the values that become part of one's personality and how Torah is and should be expressed in life The Human Challenge Rabbi Avraham Edelstein, 2021-04-19 Every human being is presented with the human challenge How do I grow How do I become wise How do I sanctify the world around me and make it a better place How do I work on my character How do I integrate work and food and intimacy into my life's goals This volume is an attempt to answer these questions for the intelligent and sensitive adult reader It draws significantly on deeper Jewish thought balancing brevity with profundity The Human Challenge provides a rich and exciting entry point for those who are at the early stages of their relationship with Judaism as well as significant benefit to those with an extensive background as it provides a methodical and sourced overview of topics that may otherwise remain as fragmented insights **Judaism: Religion of Reason** Rabbi Moshe Ben-Chaim, 2011-08-06 Jewish life has become tainted by man-made religions mysticism and pop kabbalah Based on the Sages writings and 10 years in the making Rabbi Moshe Ben Chaim debunks these false notions presenting an intelligent analysis of Torah to reveal beautiful insights Judaism is the only religion based on proof and reason not blind faith and superstitions Intelligence is the only key that unlocks God's wisdom Readers will quickly distinguish authentic Judaism from popular notions preferring Torah's brilliance over simplistic belief Charting the Mesorah Zechariah Fendel, 1994 Reason, Emotion, and Habit in the Training of a Torah Personality Nachman Bulman, 1973 **The Ethical Personality** Zechariah Fendel, 1986 *Religion of Reason* Rabbi Moshe Ben-Chaim, Is Torah mystical or rational just like God's natural laws It's time a book unveiled the truth Is Torah like all other religions incomprehensible mysticism as Kabbalists suggest or perfectly rational Religion of Reason not only unveils widespread Jewish mystical beliefs as false but true Torah insights are presented in their rational form just like God's natural laws No powers exist besides God And as Ibn Ezra writes God prohibits belief in mysticism for reasons you will learn Talmudic and Torah sections are explained metaphorically as our Rishonim say they must be understood offering astonishing and pleasing insights Finally Jews can understand the falsehoods they have accepted and abandon them in place of true Torah gaining a deep appreciation for God's wisdom Seventy Faces Norman Lamm, 2002 Over the past twenty-five years the presidency of Yeshiva University has been a mighty pulpit from which Dr Norman Lamm has addressed many of the critical issues that have faced world Jewry and confronted Modern Orthodoxy As spokesman for the institution that he leads the movement he champions and the Jewish people he loves Dr Lamm has fearlessly addressed such issues as the possibilities for faith and real

religious commitment in the modern world unity within a fragmented and contentious Jewish community morality within a libertine contemporary society and the prospect for Zionism and Israel within the world of nations He has defined the parameters and structured the vision of Modern Orthodoxy as a vibrant and attractive religious phenomenon that combines fidelity to Jewish tradition while embracing the modern world of knowledge and culture with tolerance for all Jews and civility toward all humankind This is the definitive work on modern orthodoxy Beyond Reasonable Doubt Louis Jacobs,1999-03-01 In this sequel to *We Have Reason to Believe* Louis Jacobs examines afresh all the issues involved He does so objectively but with passion meeting the objections put forward over the past forty years by critics from the various trends within the Jewish world both Orthodox and Reform and inviting a new generation of readers to follow the argument and make up their own minds More than forty years have passed since Louis Jacobs first published the still controversial book *We Have Reason to Believe* the work which led to his being outlawed by the Orthodox Jewish establishment In this new book he examines afresh all the issues involved meeting all the objections put forward from the various trends within the Jewish world so that readers can make up their own minds *The Jewish parent* ,1957-07 **Jewish Post-Biblical History Through Great Personalities from Jochanan Ben Zakkai Through Moses Mendelssohn** Adele Bildersee,1918 *Jewish Post-Biblical History through Great Personalities* Adele Bildersee, M.A.,1918 The Talmudic Anthology in Three Volumes Jacob Neusner,1995 **The Jewish Tribune and Hebrew Standard** ,1930 **Journey to Virtue** Avrohom Ehrman,2002 People sometimes overlook the fact that the Torah offers laws and guidelines for proper interpersonal relations that inform every aspect of our day Rabbi Avrohom Ehrman a distinguished Torah scholar wrote *Halichos Olam* to clarify and disseminate the frequently overlooked laws that regulate human interactions *Journey to Virtue* now presents this important work to the English speaking public The topics are realistic and familiar For example When do your needs come before those of others How can you get along with your contentious neighbor What business practices constitute coercion An excellent exposition of these halachos the book systematically discusses the laws that guarantee a harmonious humane and ethical society Wouldn't the world be a more peaceful place if everyone studied and practiced these Torah laws
