

A black and white photograph of Claudio Abbado, an elderly man with white hair, captured in a dynamic conducting pose. He is wearing a dark suit jacket and a light-colored shirt. His right hand is raised, with fingers spread, and his left hand is also raised, holding a baton. The background is dark and out of focus, suggesting a concert hall setting. The lighting highlights his face and hands.

Toscanini Musicians Knew:

The Toscanini Musicians Knew Bernard H. Haggin, 1980 *The Real Toscanini* Cesare Civetta, 2000-01-01 Lauded by Verdi Debussy and other music legends the celebrated conductor Arturo Toscanini raised the standards of orchestral and operatic performance over an astonishing 69 years on the podium But as he did so he acquired a reputation as something of a tyrant who unleashed an explosive temper at musicians if rehearsals did not meet his expectations In *The Real Toscanini* Cesare Civetta presents an intriguing collection of vivid one of a kind interviews with artists who performed with Toscanini A portrait of the inner workings of the maestro emerges through these extensive conversations conducted by the author over a period of 20 years together with other firsthand recollections These accounts clarify Toscanini s philosophy musical style and techniques They depict a man tormented by inner demons of anger and depression which were easily triggered by his frustration at being unable to produce the musical ideal in his mind s ear Toscanini is also revealed as a vehement anti Fascist and an unequivocal opponent of totalitarianism and racism he defied Mussolini and publically opposed Hitler The book includes a comprehensive account of his 1936 inauguration of what is now known as the Israel Philharmonic in solidarity with Jewish refugee musicians Toscanini comes through in this book as a tortured but deeply humane individual who strove to constantly improve a sincere and humble musician who was nevertheless the preeminent maestro of the 20th century

Arturo Toscanini B. H. Haggin, 1989-03-21 This paperback brings together for the first time in one volume two of B H Haggin s books on Toscanini Haggin lived long enough to have heard Toscanini conduct at the Metropolitan Opera Company in 1914 and to hear him on compact disc in the 1980s In *Conversations with Toscanini* first published in 1959 Haggin uses his recollections of personal encounters with the maestro for observations on everything from the conductor himself to the commercial realities that affected his orchestras performances recordings and reception by the press In *The Toscanini Musicians Knew* first published in 1967 Haggin interviewed musicians who performed under Toscanini two of these interviews are published here for the first time Both books have been edited and brought up to date by Thomas Hathaway contributing editor to *High Fidelity* and Literary Executor of B H Haggin s Estate As always with Haggin this is criticism of the highest order unsparing literary and squarely focused on the controversial achievements of the most renowned conductor of his day
