United States History Ron Blazek, Anna H. Perrault, 1994 **United States History** Ron Blazek, 1994 United States History James Warren Oberly, 1995 The Spanish-American War, 1898, 1998 The paper focuses on the following questions concerning the Spanish American War SP WAR What were the causes of the SP War What strategic principles were applied in the SP War What influence did the strategic thinkers of the day have on the SP War What was the state of readiness of the combatants What was the effect of disparate technologies that were used in the SP War What was the nature of the ground campaign What effect did naval forces have on the strategic aspects of the war To what extent did the American ground and naval forces cooperate operationally and why was it necessary for them to do so How were IVjoint operations% coordinated What was the command structure Was there anything in the command structure that resembled our modern concept of joint command Was there any unity of command principle applied What were the strategic implications of the outcome of the war What effect did the SP War have on attempts to improve future readiness of American forces

History Of Science In The U.S. Clark A. Elliott, 2021-11-18 First published in 1996 The intention of this volume is two fold first to give a chronologically arranged overview of selected data on the history of science in the United States and second to orient the reader to the substantial reference literature and research sources as guidance to further study of the topic The subject areas that are covered include astronomy biology chemistry geology mathematics physics and their related disciplines areas such as anthropology and psychology are covered to a lesser extent Science is the central focus but the content of the work recognizes that the boundaries between subjects or activities are not absolute and certainly not when coverage spans several centuries **Walford's Guide to Reference Material: Social and historical sciences, philosophy and religion** Albert John Walford, Marilyn Mullan, Priscilla Schlicke, Library Association, 1996 This new edition of Volume II last published in 1994 has been extensively expanded and revised in all areas Fully updated the new edition includes major changes and covers a span of topics from archaeology through medieval history to statistics It includes philosophy psychology religion social sciences geography biology and history All areas have been completely updated with additional material in economics business and management **A Guide to Reference Books for Small and Medium-sized Libraries, 1984-1994** G. Kim Dority, 1995 Describes evaluates and compares more than 1800 reference titles suitable for small and medium sized libraries Covering books in all subject areas published between 1983 and 1993 this work focuses on recent titles Items in non print format such as CD ROMs are also cited **American Reference Books Annual** Juneal M. Chenoweth, 1995-04-15 With more than 1600 descriptive and evaluative entries ARBA continues its 26 year tradition as a comprehensive review source for reference works published or distributed in the US ARBA 95 encompasses the subject spectrum covering such broad areas as general reference history education economics and business and science and technology Of special note in this edition is increased coverage of CD ROM products More than 350 reviewers provide

reviews that cover strengths and weaknesses of the reference works **History Microcomputer Review** ,1994 **Florida State University Research in Review** ,1992 *Guides to Library Collection Development* John Thomas Gillespie,Ralph J. Folcarelli,1994-08-15 Intended to enhance collection development in school public and college libraries this volume lists and annotates approximately 1 500 significant bibliographies published from 1985 through 1993 with some earlier but still useful publications Annotations indicate scope of the work size often the number of entries kinds of material included purpose arrangement nature of entries indexes special features and a recommendation Author title and subject indexes provide easy access to the entries With its deep and comprehensive coverage this work will help not only in the process of selecting and acquiring materials for the library but also in the process of identification of items for reference readers advisory interlibrary loan and collection evaluation Resources in Education ,1996-10 **American Foreign Relations Since 1600** Robert L. Beisner,2003 A thorough update of the standard bibliography of American foreign relations literature from colonial times to the present day America has formed alliances exchanged diplomats traded goods and services and fought wars with nations on every continent but Antarctica And people have written books articles reports and papers by the thousands on these subjects In American Foreign Relations since 1600 the 2002 president of the Society for Historians of American Foreign Relations Robert Beisner has worked with members of SHAFR to compile the most exhaustive survey of writing on American foreign relations ever published Covering 400 years of American history his team of editors all top experts in the field have referenced and annotated nearly 20 000 published and nonpublished works It s all here from the Mayflower Compact to the My Lai massacre from the War of 1812 to the war on terrorism from the pre Revolutionary era to the post Cold War world Nearly 20 000 fully annotated bibliographical entries on topics such as the Mexican Revolution pan Americanism wartime diplomacy the German threat and more A preface clearly outlining the updated features of the book Three analytical indexes to guide users to entry information contributors and significant individuals Biographical studies on individuals such as John Barrett William Jennings Bryan and Theodore Roosevelt **The Longman Handbook for Writers and Readers with MLA Updates** Christopher M. Anson,Schwegler,1999-08 **Journal of the West** Lorrin L. Morrison,Carroll Spear Morrison,1995 *Where to Find What* James M. Hillard,Bethany J. Easter,2000-02-09 This new update identifies sources to turn to for quick answers to typical questions that come to the reference desk **History** Elizabeth Frick,1995 Information Sources of Political Science Stephen W. Green,2005-07-15 This comprehensive political bibliography offers 2500 entries covering a wide variety of source types indexing and abstracting services major bibliographical tools encyclopaedias dictionaries handbooks directories statistical compilations and more **An Account of Government Document Bibliography in the United States and Elsewhere** James Bennett Childs,1930 Library & Information Science Abstracts ,1998
