## **Unity In Islam Reflections And Insights:**

Unity in Islam Tallal Alie Turfe, 2004 One of the greatest threats to Islam is not only the divergence created by differences between the various denominations but also discrepancies within each denomination How different strains of Islam can come together in the process bettering themselves and the communities at large is the theme of this book Tallal Alie Turfe who work has been published in several languages points the way for Muslims to regain their original path by recapturing the Islamic dream of unity that motivated the Prophet Mohammad Turfe argues for a grassroots activism that begins with the individual and expands into the family and the community The author brings a wealth of experience to his argument including work as a management consultant for Fortune 500 companies seeking a global presence and his leadership role in the Greater Detroit Interfaith Round Table helping to build bridges between various religious faiths and ethnic groups

*Know and Follow the Straight Path* Tallal Alie Turfe, 2015-04-28 Muslims need a passion for unity All Muslims believe and follow the Quran and Prophet Mohammad and highly respect and admire Imam Ali ibn Abi Talib Yet despite similar traditions there is a lack of unity because of an inaccurate understanding of Imam Ali ibn Abi Talib's vision and mission among many Muslims In *Know and Follow the Straight Path Finding Common Ground between Sunnis and Shias* author Tallal Alie Turfe a champion of religious tolerance explores the Quran and traditions to find the common ground and common principles between the Islamic schools of thought He is a strong advocate of intrafaith dialogue that offers the chance for better understanding collaboration and partnership among all Muslims This book is a road map for Muslims to trek the path of truth and certainty in the hope their efforts will lead to a genuine unity as they celebrate their differences as windows of opportunities As they uproot ignorance with knowledge they will learn to cooperate with each other The pledge to unity must begin within themselves within their families within their communities and with each other *Know and Follow the Straight Path Finding Common Ground between Sunnis and Shias* provides the whys and hows necessary to winning that unity

**Awaken the Pure Heart** Tallal Alie Turfe, 2017-12-22 In America we live in a fast paced self indulgent society of pleasure seeking people who predicate their lifestyles on consumer oriented and materialistic notions Influenced by this world around us our hearts may become faithless dishonest deceptive distressed and at times evil Hence our hearts become damaged However in the quiet of our solitude we can deeply reflect on how to become devout and pious as we awaken the pure heart In *Awaken the Pure Heart* author Tallal Alie Turfe explains that while the heart pumps blood through the network of arteries and veins called the cardiovascular system it is also the spiritual control center of life the very center of our existence and the very essence of who we are The heart is the center of the soul It is the seat of our emotional intelligence intention and desires and it is the point of our personal contact with God as He judges By looking to the Quran as a healing source and by slowing down and reflecting in solitude through prayer and supplication we too can restore our hearts and the hearts of others The heart is more than the most important organ in the human body It is also the quintessence of our

spiritual and emotional well being Acceptance causes the heart to be elated or jubilant while rejection causes the heart to be saddened or troubled Thus by listening to our hearts we can discover how to embrace its purity and live with virtue in the modern world
