## **Unity The Creative Foundation Of Peace:**

Unity Hossain B. Danesh,1986      Encyclopedia of Peace Education Monisha Bajaj,2008-05-15 The Encyclopedia of Peace Education offers a comprehensive overview of the field s scholarly developments providing a common foundation for advancing peace education globally It traces the history highlights key concepts and suggests new directions targeting students scholars and practitioners      **Building Positive Peace** Christina Campbell,Simon Cordery,2023-02-16 This book coherently maps a path to sustainable global peace Written by a team of scholars from many disciplines each contribution provides one way to shift us from our current way of being and onto the path to peace The work identifies a group of approaches relevant to the contemporary world and the crises we face It covers politics the environment food security architecture and other areas of human activity The authors see positive peace as a way to encourage humans to actively create a peace filled world Their essays suggest how together we can ensure that human flourishing is possible for all people Peace activists environmentalists and climate scientists will find this a fascinating and thought provoking read

**Foundations of World Unity** 'Abdu'l-Bahá,1927      **Psychology of Spirituality** Hossain B. Danesh,2000-01-01 This book is written for those who ask difficult questions What is the nature of human reality What is the purpose of human life What is love What is reality What is the secret of happiness Do we have free will Is transcendence real Through case histories in depth analyses and practical examples the book offers new ways of addressing these and other important questions The Psychology of Spirituality demonstrates that life can in fact be good happy and fruitful and that we human beings are indeed noble beings only if we knew      **World Order** ,1991      *Divine Journey* Marc Lloyd Hensen,2012-02-01 As the title indicates Divine Journey Exploring the Baha i Faith takes one on a guided tour of the Baha i Faith and its teachings While not intended to proselytize Baha is are strictly forbidden to do so it seeks to gently share with those who are interested in learning about the Baha i Faith what it means to be a Baha i and to live a Baha i life via an exploration of some of the central teachings of that religion on love peace world unity the purpose of life life after death and race unity and the elimination of prejudice The book explores the implications and applications of the teachings of the Baha i Faith and how they relate to the individual on a personal level and to society and the world on a global level while examining the reciprocal relationship between them Permeating the book is the cardinal teaching of the Baha i Faith that being the essential oneness of humanity and our spiritual transformation as lovers of the diversity that beautifies our human family It is the ultimate aim of the book to illustrate that to be true this spiritual transformation must manifest itself in loving fellowship and service to humanity

**Peace** ,2005      Spiritual Journey I. Walter Tunick,2007 This is a book that appeals to all thinking people who seek spiritual truths in a world that is too materially oriented      The Constitutional Foundations of World Peace Richard A. Falk,Robert C. Johansen,Samuel S. Kim,1993-07-01 This book shows how significant a worldwide constitutional framework can be both analytically and politically in efforts to achieve a just and lasting peace The authors are careful to avoid the

pitfalls of legalism and moralism that have often afflicted discussion of world governance in the past and their analyses are rooted directly within contemporary human struggles for peace justice prosperity and environmentally sustainable societies The authors demonstrate that when these struggles are examined in light of the planet s changing constitutional framework their origins and future trajectories are more fathomable intellectually By examining alternative images of world order these authors uncover an abundance of practical yet bold policy recommendations for addressing and solving global problems They also demonstrate that implementing desirable policies can indeed become politically feasible This book is a compendium of new ideas for managing threats to peace enhancing U N peacekeeping establishing an effective global environmental authority aiding the faltering global economy nurturing the growth of democracy both locally and globally protecting human rights and ethnic diversity holding governments and intergovernmental organizations accountable to those they govern and nurturing humanitarian values among all people

**International Journal of Peace Studies** ,2002    **Achieving Peace by the Year 2000** John Huddleston,1988 John Huddlestone formerly assistant director of the IMF presents a penetrating analysis of the causes of war and the role of Superpowers in contemporary politics Putting forward a twelve point plan for establishing world peace this work is as relevant now as when it was written    New Zealand International Review ,1988
